Reading takes place daily in the classroom and books are changed every Friday. From next week children will take one book of their choice from the reading corner and a book which is targeted to their reading level that they should practice reading independently. We ask that you support your child's progress by reading regularly with them and completing the reading record when they have read to you. The book will only be changed when you have done so. We also need your support in ensuring books are returned so that children can continue to have a wide range of books to read from.

Due to phonics screening tests taking place early June, practice papers will also be sent home for the children to read and become familiar with.

If you wish to contact us regarding your child's education please make an appointment via the office or speak to us after school.

We look forward to working with you and helping your child get the most from their education.

Kind regards,

Mrs. Akin, Miss Morgan and Mr Southcott.
