

*A Koinonia student will go out into the world happy, courageous, resilient, motivated with a lifelong love of learning, fully equipped to make a positive contribution to society.*

## **ST. MARY MAGDALENE C of E SCHOOL**

### **ADMISSION POLICY 2021-22**

#### **FOR THE SIXTH FORM**

St. Mary Magdalene Church of England School is an all-through school for pupils aged 3-19. It has a distinctive Christian ethos which is at the heart of the school. It provides an inclusive, caring and supportive environment where children learn and flourish in a setting shaped by Christian values. **We welcome applications from all students aged 16-18.** We expect all our students applying to our Sixth Form to show a commitment to our Christian ethos and learning agreement as well as demonstrate ambition and a strong work ethic.

The Governing Body is responsible for the admission of students to our Sixth Form and admits a total of 150 students to Year 12 each year. The admission number has been agreed between the Governing Body and the Local Authority and applies to the year 2021. Whilst many of our intake will be from our own secondary phase we are pleased to offer places to external applicants.

To determine eligibility for admissions, St. Mary Magdalene Sixth Form has specific criteria in relation to minimum entrance requirements for Year 12 based on GCSE grades or other measures of prior attainment. These criteria will be the same for internal and external applicants. The criteria will be published in the prospectus for the relevant academic year of entry. Applicants will be expected to attend an interview and must demonstrate they are likely to meet the minimum entry requirements. Assessment of applicants is carried out using GCSE predicted grade information, contextual information and interview.

#### **OVERSUBSCRIPTION CRITERIA**

If there are more qualifying applicants than places then places will be allocated according to the following criteria. These are stated in order of priority:

1. Looked after children or previously looked after children (see note 1);
2. Children who have been in state care outside of England and ceased to be in state care as a result of being adopted **or** a child is regarded as having been in state care in a place

outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society;

3. Students with a chronic and professionally supported medical or social care need for a place at this sixth form provision (see note 2);
4. Students in order of nearness of the home to the school (see note 3).

## **TIE BREAKER**

In the event of oversubscription in any of the above criteria, priority will be determined in order of nearness from the home to the centre of the school site based on the Peninsula Campus, with those living nearest the school being given the highest priority. In the event that two or more applicants live the same distance from the school and there are insufficient places to admit all applicants, places will be allocated by the drawing of lots.

## **Notes:**

- 1) Looked after children are children who are in the care of a local authority, or being provided with accommodation by a local authority in the exercise of their social services functions as defined by Section 22(1) of the Children Act 1989 at the time of making an application to the school. Previously looked after children are children who were looked after immediately prior to being adopted, or who became subject to a residence order, (now termed child arrangement order under the Children & Families Act 2014), or special guardianship order. The Governors will require written confirmation that the child is looked after, or previously looked after and will be so at the time of making an application to the school.
- 2) This must be supported by written evidence, e.g. from a specialist health professional, doctor, social worker, or other care professional which sets out the reasons why this school is the most suitable school and the difficulties that would be caused if the child had to attend another school. The admission decision will be considered by the school's governing body. Advice will be sought from medical and teaching professionals where appropriate.
- 3) Distance is measured in a straight line using the local authority's computerised mapping system. This measurement will be from the centre of the student's home to the centre of the school based on the Peninsula Site. Should two applicants live an equal distance from the school, including instances where more than one applicant lives in a multi- occupancy building, the offer of a place will be decided by drawing lots. If the applicant resides equally between both parents, we consider the principal home address as being the address at which the applicant is registered whilst attending secondary provision, with a GP and, if applicable, the address of the parent who is in receipt of Child Benefit or Child Tax Credits for the applicant.

## **Late applications**

Late applicants will only be considered after all on- time applicants have been offered places.

## **Waiting list**

The Sixth Form operates a waiting list, which is ordered in accordance with the oversubscription criteria. The waiting list is held until the end of each academic year in which a student starts. Students may request in writing to join the waiting list. If an application is received and they are

added to the waiting list, the list will be re-ranked in accordance with the oversubscription criteria.

## **Appeals**

Appeals are in accordance with the School Standards and Framework Act 1998 and students who are not offered a place have the right to appeal to an independent appeal panel. Students wishing to appeal should obtain an appeal form from the school. The form should be sent to reach the Clerk to the Appeal panel, c/o the School, within 20 school days of the date of the letter confirming the governors' decision not to offer a place. Should an appeal be unsuccessful, the Governing Body will not consider a further application from those students within the same academic year unless there have been significant and material changes in their circumstances.

**Applications for our Sixth Form need to be made on the Common Application Form specific to the phase of the school for which you are applying. Year 12 applications for the next academic year starting in September 2021 must be submitted by 30<sup>th</sup> January 2021.**

**Students attending the secondary phase do not need to apply for a place in the secondary phase but will be required to meet the entry requirements for their chosen pathway. Our SIF (Supplementary Information Form) can be found on our website:**
