Buddy says 'Speak out, Stay safe'

Cross Federation Competition

We played against other Year 6 children in the federation.

Children worked collaboratively.

Thank you

for all the donations, every pound will go to supporting children who are in need.
We raised £100 towards NSPCC.

The children used a variety of skills to solve problems.

The children learnt about greater than and less than.

The children used the bar model to support their maths and solved mathematical puzzles and problems.
