Dear Parents and Carers,

Welcome to a new term and a New Year! I hope you had a very enjoyable and restful break.

During this term we will be following the creative curriculum based around a core text. The text we will be studying will be '**Ice Trap (Shackleton's Incredible Expedition)**' by Meredith Hooper. We will be studying English, Geography, History, Music, DT, PSHE, Computing by linking these subjects to our texts for this term.

Mathematics work will follow the White Rose program, studying multiplication, division, percentages and fractions.

Science –Materials and their Properties.

R.E. – Judaism

Topic- Extreme Environments

Children must wear the appropriate PE kit for indoor and outdoor lessons. PE sessions are on Tuesday and Thursday. Please make sure your child's clothes and shoes are all labeled and remind your child they are responsible for their own clothes. Can the girls also remember to NOT wear earrings on these days. No other jewellery should be worn to school.

Please send in your child's homework book so a homework menu can be attached for this half-term. **Spelling tests** will be completed on a **Friday morning**. If your child has lost their list you may obtain another one from the school website.

Reading takes place daily in the classroom and books are changed regularly so your child must bring their reading records and reading books to school every day. Please encourage your child to read for at least 15 minutes each day at home and record it in their reading records. Lost reading records and books will incur a charge.

Trips will be organised and details will be sent nearer the time. As always we need parent volunteers in order for these trips to take place; we will try to give you as much notice as possible.

If you wish to contact me regarding your child's education please make an appointment via the office. I am usually available after school or before 8.30 a.m. Thank you for your continued support.

Kind regards

Mrs Rodriguez and Mr Greenhill
