

Summer 1 2022

Dragons, Knights and Castles

As readers, we will be looking at different Traditional Tales and focus on the book Jack and the Beanstalk.

As writers, we will learn how to retell a traditional tale, write a profile of a good or evil fairytale character and write diary entries.

As mathematicians, we will be practicing counting in 2's and 5's as well as learning the to solve problems involving multiplication and division.

As scientists, we will learn about different materials and their everyday uses. We will also describe and investigate the properties of different materials.

As artists and designers, we will learn different levers and make our own moving picture

As historians, we will learn about the difference between past and present events. We will explore the history of castles and how they were used in the past. Our theme will be linked to the Queen's Platinum Jubilee.

As musicians, we will explore percussion and learn a song for the Queen's Platinum Jubilee.

As computer scientists, we will be learning how to use hyperlinks to find information.

As theologists, we will explore Sikhism. We will compare to Christian beliefs.

As future citizens, we will explore ways to stay healthy.
