

Ball Court

The large outside ball court provides a secure and spacious area for outdoor games and sports. The hard surface is suitable for informal football, basketball and multi-sports activities, and works especially well for larger groups who benefit from fresh air and open space. This area is particularly suited to clubs or organisations wishing to run regular training sessions, after-school activities or weekend sports programmes.

Good for: Football training, multi-sports, outdoor PE-style sessions, bootcamps, community tournaments, youth outreach projects.
