Cost: Free

Go on a walk in the local park and count how many different leaves/stones/ that you can find. place them in a venn diagram. How many different ways can you find to sort them?

Visit your local library to look at books with moving parts.

Which is your favourite book? Why did you like that book the best?

Local Library - Get your child familiar with their local library at an early age. It is an amazing way to get access to thousands of books to read or listen to with your child. They'll surely be able to find something they are passionate about reading. Be sure to ask library staff what activities they have organised as they often have fantastic free workshops and activities for children to enjoy.

ChatterPix App

Ask an adult to help you to download the app onto a device. Draw a picture or take a photo outside. Draw a line on the image to create a mouth then record your voice to make it talk.

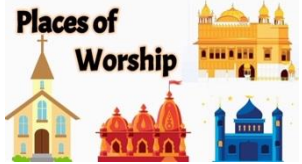

Queen Elizabeth Park Music Maze

Take a picnic and enjoy a day at the park exploring the music maze. What tunes and songs can you make using the percussion instruments?

					
Belonging to a Community In our local community, we have lots of people from all over the world. Try a food from another country. Where in the world does it come from? Tell your teacher all about it back at school. 	Places of Worship How many different places of worship do you have in your local area? How can you tell that they are places of worship? Draw a picture of some of the things that you can see outside of them that help people in the community to know which faith group worships there.	Travel Travel on a train. When you are on the train, what can you see? What did you see at the train station? 	ART	Visit the Museum of Childhood What toys can you see? How do you know that they are old? 	Sock Puppets Have you got an old sock with a hole in it? Make a sock puppet from it! (There are lots of creative ideas online for this). Use your sock puppet to help you to tell a story to someone.
