# HOMEWORK 'TAKE-AWAY' MENU Reception

Spring Term 1 Theme: 'Super Scientists'

- Spellings Learn to read and try to write the phase 2 and phase 3 tricky words. 1)
- 2) Recognising the numerals 1-20.
- 3) Learning the properties of 2D shapes/recognising 3D shapes
- Practising the letter formation/number formation

#### **ENGLISH Activity 1**

# MATHS Activity 1 Number bonds to 5

## SCIENCE Activity 1

Pour over warm water to cover all the Skittles on the plate.

What do you notice? Can you write a set of instructions? Can you use the words first, then, next, last?

Make a paper ladybird and ask the adult to draw a number of spots on one side. How many do you need to draw on the other side to make 5 spots? How many ways can you find to make 5?

Trace around a toy doll or even better -draw yourself and label some of the different parts inside your body eg. Heart, tummy, Be as creative as you can by using different texture.

## **ENGLISH Activity 2**

# MATHS Activity 2

### **SCIENCE Activity 2**

## Weather Diary

Can you keep a weather diary by recording the weather conditions for morning and evening?

Can you draw the clothes you wear in each weather condition?

Can you write a list of the clothes and why you wear them?

Weather Journal

Tuesday | Wednesday | Thursday

Days of the Week

# 1 more/1 less

Roll a ball to your partner, say a number to ten. Can your partner tell you the number that is 1 more or 1 less?

Take turns

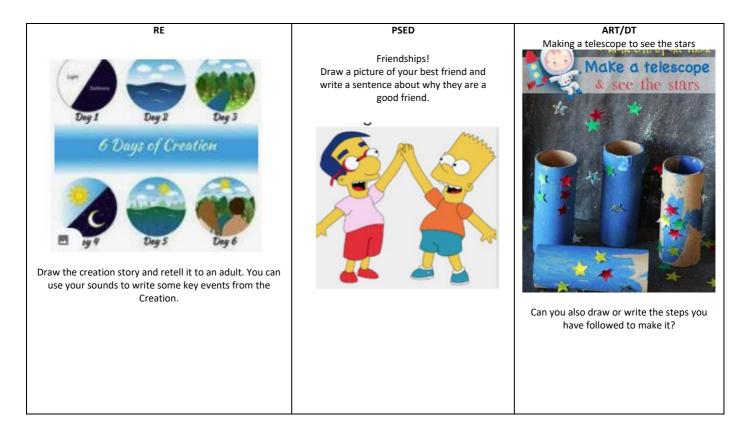

# Making a Feely Book

1	1600	•
Feathery	Woolly	Rough
	in	
Bumpy	Soft	Shiny

Gather some scraps of material together and stick them in your book. Talk about their colour, shape, texture and how they are different from each other.

Clothes and the weather clothes you would wear in each weather a l column and write a list of the clothes ar

- 1) Complete 3 or more activities.
- 2) Upload your homework onto Satchel, or give it to your class teacher when you've finished an activity.
- 3) For each activity completed you will be given 10 house points. Please put a tick beside each homework activity you have achieved.
- 4) If you make a 3D model or a piece of art work which is too big to put into your homework book, you can take a photograph of your homework and stick it in your homework book. If you do, please include a short description/explanation of the activity.
