

<p>Weekly Homework</p> 	<p>1) Spellings – see spellings lists for Year 4 2) Times tables: Times table Rockstar 3) Education City- fractions and decimals.</p>	
<p>ENGLISH Activity 1</p>	<p>MATHS Activity 1</p>	<p>SCIENCE Activity 1</p>
<p>Write an Acrostic poem about a chosen animal. Your animal should have a super power!</p> 	<p>Create a fraction exhibition using various resources and daily objects to create a fraction wall.</p> 	<p>Are there any living things in your garden or local park? Can you make a list and sort them into groups, eg. Plants, Insects, Mammals, Birds What questions help you to classify the animals? Eg, does it fly?</p> 
<p>ENGLISH Activity 2</p>	<p>MATHS Activity 2</p>	<p>SCIENCE Activity 2</p>
<p>Design a creature (it can be based on an animal or something completely new). Write a character description of the creature. Use adjectives, adverbs, similes, metaphors and personification to strengthen the description.</p>	<p>Create a board game using different fractions questions that can be solved to move a step.</p> 	<p>What do humans do that negatively affects plants? Carry out some research and create a poster to show how human behaviour negatively affects plants and what we could do to make it better.</p>
<p>DT Activity 1</p>	<p>DT Activity 2</p>	<p>RE Activity</p>
<p>Create a 3D Cunning Creature of your own! What super power does it have? What colour will it be? What's its name? How does it move?</p> 	<p>Design your own awn setting for your creature to live on. Think about the materials you will use and where your island will be.</p> 	<p>Listen to the Easter Story film on https://www.bbc.co.uk/bitesize/topics/ztkxpv4/articles/z4t6rj6 or find it on You Tube. Write about what happened at Easter Using a story board.</p> 

1) Complete at least 5 activities (spread this out over the half term).
