

Dear Parents, Carers and Families,

A very warm welcome back to you all, and a happy New Year. I hope you had a lovely Christmas break and were able to enjoy special time with family and friends.

I would to say thank you to parents and carers for the kind gifts and thoughtful messages that staff received at the end of last term. They were truly lovely, very much appreciated, and never expected.

As we begin 2026, we are looking forward to the year ahead with optimism and excitement. This half term has so much for us to look forward to, with lots of learning opportunities and shared experiences planned for the children.

Our value for this term is Respect. We will be exploring what respect means during collective worship and throughout daily life in school. We will be encouraging our children to live out our values through their actions, words, and attitudes towards one another.

Our memory verse this term is from Luke 6:31: *"Do to others as you would have them do to you."* This verse is at the heart of our value of respect and is also our federation motto.

We will be encouraging children to live this out day by day by listening carefully to others, showing kindness, being considerate, looking after our environment, and treating everyone with fairness and compassion.

These small, everyday actions help create a caring and respectful community where everyone feels valued and safe.

Thank you, as always, for your continued support and partnership. We look forward to sharing another positive and purposeful term with you and your children.

With every blessing,

Ms Reid  
Headteacher

### **Growing Against Violence Workshops**

Keeping children safe and supporting their wellbeing is a top priority in our school. This week children in year 5 and 6 took part in an engaging and thought provoking workshop "Growing Against Violence". These workshops focused on the topics of 'the dangers of social media' and 'gang violence.'

The workshops were very informative and our children listened with interest and maturity. Through discussion the children explored how to keep safe and make responsible choices. At the end of the session the pupils said they enjoyed the workshop and had learned lots.

**A Message from the School Chaplain : Rev Dom**

Happy New Year everyone.

It always takes me a little while to get used to a new year. Writing the date differently, getting my head around a new diary.

And that is before we even get to when do you stop saying Happy New Year to people.

But maybe it's okay to go slowly.

Maybe it's okay to go slowly into the New Year.

It is a kindness to go as quick as people want to go or as slow as they need to go. And as the blessings of the New Year start arriving, so we can get into our stride and begin to bless others.

Whether you've had a really busy Christmas, and now you need to change gear and get into a routine again. Or even if you have had a slow relaxing time, and now you need to get up to speed and back into the rhythm of term-time life:

Let's be kind with one another and seek to treat everybody well.

This term our collective worship resources will centre on our school motto and its impact on how we treat each other and how we show respect for one another. May you feel God close to you as you get to grips with January and may you find ways of sharing God's love as the year unfolds.

Spirit of God walk with into this New Year.

Guide our thoughts to things that will grow in love.

Make us into faithful folk, ready to treat others as you would treat us. Amen.
