Children will need to bring their P.E. kits every Friday. Please ensure your child has appropriate kit for outdoor lessons, especially as the weather has been colder. **Please make sure your child's clothes are all labelled. We are working on ensuring the children understand that they are responsible for all their own clothes, this includes their school uniform and jumpers/coats etc.**

Homework will be found in their homework book, sent home every Friday. The spellings will be given out by the end of each week and the children will be expected to write the spellings for the test independently. The test will be taken every Wednesday.

Reading takes place daily in the classroom and books are changed every Friday. From next week children will take one book of their choice from the reading corner and a book which is targeted to their reading level that they should practice reading independently. We ask for your support by reading regularly with them and completing the reading record when they have read to you, this will help with your child's progress. Once the reading contact book has been signed, your child's book will be changed. We also need your support in ensuring books are returned so that children can continue to have a wide range of books to read from.

If you wish to contact us regarding your child's education please make an appointment via the office or speak to us after school.

We look forward to working with you and helping your child get the most from their education.

Kind regards,

Mrs. Akin, Miss Morgan and Mr Southcott.
