Summer 1 - Family: Gratitude - "O give thanks to the Lord, for he is good; for his steadfast love endures for ever." Psalm 107:

#### Dear Children,

I hope you and your families are well and staying at home to keep safe. I will be writing to you at the end of every week to share and celebrate all the lovely things you and your friends have been up to and different staff members will also be writing special messages to you. Your teachers will be telephoning you soon to find out how you are and if you need any support with your home learning. Well done to all of you for trying your best and doing as much as you can. We know it is not easy but remember that God is with you and as our memory verse tells us, God's love for you will last forever.

Sending my love and best wishes, Ms Reid

Messages from the teachers and Staff The staff have written some messages for you all. There will be more over the next few weeks

Hello my lovely lot! I hope you are all well, keeping safe, enjoying the sunshine, doing your work and spending so much time with your family. I know that some of you are getting bored at home now, but remember to be thankful that we live in an age where you have computers, phones, books and many other resources at your fingertips. I'm setting you a mission to find something new to be thankful for everyday and post it on your One Note Page. Take Care Mrs Gibbs xXx

I am proud of everyone who has managed to keep their spirits high during this period of quarantine. I hope we continue to be grateful to one another and practice patience. I am wishing you all happy health in body, mind and soul. If you want a break from school work, access the GSSP greenwich website to find different ways of keeping your body active! Lots of virtual hugs and elbow Hi5s. Ms Vong

Hope to see you all soon! Mr Mac

## Message from our Chaplain...

The Psalms are a great place to see celebration, sadness, anxiety and satisfaction. All the things we are feeling at the moment.

This term we see our memory verse: Give thanks to the Lord, for He is good; His Love endures forever. (Psalm 107:1)

In this season - of closed schools, isolated families and a future we can't plan for - we need to remind ourselves that God's love passes through locked doors, times or hardship and seasons of sadness. The Easter season reminds us that God's love wins, God's desire for us to live amazing lives of faith passes through everything the world places in front of us and that God is Good.

Stay safe, look for signs of light in your life, of kindness in your community and hope in the news. Amen.

**Rev. Dominic Hubbuck** 

Let us pray...

Dear God, Help me to remember what is important; not being surrounded by things but having my life full of family, friends, love, laughter and most importantly, **You** beside me every step of the way. **Amen.**
