Dear Parents/ Carers,

Happy New Year!

As you know, this year has been very different and difficult for us all. We all hope and pray that we will be back to some form of normality soon this year.

For most of our pupils, learning will now take place at home. To support with this we are using a new online learning system called Satchel where work will be uploaded each day for our pupils.

This online facility will also enable the pupils to communicate using a message board to ask questions and receive feedback about on tasks that have been completed each day.

Each week a phone call will also be made home to each household to provide support. Feedback will be provided twice each week on Maths and English tasks that have been submitted

Our theme for the first half of the Spring Term is The Victorians. We will be using the core text 'Street Child.' By Berlie Doherty as a stimulus for our learning. We will also be looking at a range of different shorter texts to facilitate our writing sessions.

In Maths, we will be looking at multiplication, division, statistics, area and perimeter as well as developing fluency skills.

In History we will explore the working conditions and everyday lives of the Victorians. We will also find out about children in Victorian times and what life was like in the workhouses.

In RE, we will be learning about Judaism, followed by a topic on Easter in the latter half of the term.

Science lessons will be focused around the theme of Animals Including humans with a focus on the life cycle.

As well as our new online learning platform 'Satchel' we will still be posting work on Education City, Purple Mash, Times Tables Rockstars and Epic Schools Reading, so there will always be plenty of learning to do. Each morning by 9am, learning will be uploaded to Satchel for your child to complete that day.
