

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<p>By providing more swimming lessons than is required, the number of children that are meeting the national curriculum requirements for swimming and water safety have more than doubled. At least 63% of children are able to meet the standard, as they had extra swimming for the whole of last academic year.</p> <p>By providing and subsidising a wider range of opportunities for physical activity through different sports clubs; at least 7 out of every 10 children CC are taking part in regular physical activity.</p>	<p>More top up swimming to be provided in order for more than 70% to achieve the national curriculum standard by the end of KS2. Children in Year 4 to be given more opportunities to reach the standard earlier than in Year 6.</p> <p>Clubs to continue to be offered at a range of times in the day covering a broad spectrum of activities to entice those hard to reach children who are not really interested in exercise. To financially support those families who cannot afford for their children to participate in sports clubs.</p>

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	64 %
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	56 %
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	52 %
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

Academic Year: 2018/19		Total fund allocated: £ 17,610	Date Updated: January 2019	
<b>Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school</b>				Percentage of total allocation: £2000 – 11%
School focus with clarity on intended <b>impact on pupils:</b>	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps and Evaluation of impact on sports/PE provision.
Ensure that the daily mile is taking place to get all pupils undertaking at least 15 minutes of additional activity per day.  Develop scoot to school at Christ Church campus in order to get more pupils travelling to school and exercising rather than being dropped off in a car.  Develop opportunities for both coach-directed and supported physical activity at lunchtimes and self directed play during morning breaktimes..	Identify route and timetable for daily mile for each year group. Purchase equipment to mark out routes.  Purchase 1 class set of scooters to introduce or further develop scooting in school. Children taught scooter skills in school time and in school clubs. Classes able to 'lease a scooter for half a term' Raise awareness with parents and children to explain how this is an easy and fun exercise option.  Additional equipment for the playground for children to choose to play with. Pupils chosen as play leaders for support activities and simple multi-activity games	£250  30 x £25 = £750 (1 set for each campus)  £1000	ALL pupils will be involved in 15 minutes of additional activity every day.  More pupils getting involved in scooting and coming to school a more environmentally friendly way. More children using their free time to be physically active and enjoy sports and being independent in their choices to exercise. Staff on duty to monitor and encourage all children to participate.  WIDER IMPACT AS A RESULT OF ABOVE : Pupils are more active in PE lessons - take part without stopping to rest. Standards achieved in PE NC are improving with over 90% achieving end. of KS attainment target.	Daily mile firmly embedded in school day. 5 out of the 7 classes do the Daily Mile at least 2x per week. PE lessons on the other days. We now will encourage all classes to participate in the Daily Mile for 15 minutes each day. The new Healthy Schools and PE leader will monitor which classes do the Daily Mile at least 3x per week for 2018-2019  Continue to work closely with parents to increase the number of pupils who own scooters; offer a reduced rate for purchasing one if their child scoots to school.  To continue to participate in the Bike Market sessions and bikeability training.  To raise in pupils coming to school by either bike or scooter to 22% (scooter) and 12% (bike) at the end of the academic year 2018 to 2019.  To raise in total percentage of pupils that either cycle or scoot to school to

				<p>34% by the end of this academic year..</p> <p>Staff to give children monitor jobs for the equipment and make 'Exercise buddies' for lunchtimes. Pupils in all classes had been given opportunities to undertake the role of PE equipment monitor, helping to choose, set out and collect In a variety of PE equipment.</p>
