

FREE LUNCH FOR SCHOOL KIDS IN GREENWICH PENINSULA
St Mary Magdalene C of E School

Community is everything for us at CHOY House.

During lockdown, parents of children who live within the Greenwich Peninsula and are entitled for free school meals can come and collect a free lunch for their child between 11am-12pm Monday-Friday. This week on offer we have Japanese vegetable curry with rice. We plan to have a new dish each week.

Simply come by CHOY House and grab a free lunch to take home to heat up for your child's lunchtime!

We plan to roll this out to more of our community in the coming weeks, however as a start we will be rolling this initiative to children that live within the Greenwich Peninsula and are eligible on the list of names we have been provided for those that attend St Mary Magdalene C of E School.

I hope this helps, and we will keep thinking of more ideas on how we can keep helping our community together.
