Dear All Families

We would like to start by thanking you all for your patience and understanding over the past two weeks. The educational and national landscape has evolved on a daily basis and it has been a challenging time for us all. We appreciate all of you who have taken the precautionary measure when self-isolating when COVI-19 symptoms have been displayed and also for those of you who have continued to send your children to school despite all the uncertainty.

**School closure**

As you know schools across the UK will be closing at the end of today in order for us to better manage the impact of Coronavirus. Your child has been set work to complete over the time period the school is closed. This will be updated throughout the period of closure. All information about learning can be found on at the end of this letter including an emails address if you need any help or advice regarding the IT learning platforms. Please note, this work is not optional and is an expectation that it will be completed. Teachers will all still be working and checking all online submissions on a daily basis and will be communicating with yourselves using the various platforms.

**Children of Key workers and More Vulnerable Children**

If you are a parent of a vulnerable child, you will have been contacted by the school with instructions for next week and you will receive an additional letter. If you are a key worker, you should have emailed the following address [eholliday@koinoniafederation.com](mailto:eholliday@koinoniafederation.com) and then you will receive an additional letter with information about next week.

**Free School Meals**

If your child is usually entitled to free school meals because you are in receipt of benefits then you may collect a packed lunch for your child every day that the school is closed. You should have contacted the school by noon today to let them know if you will be collecting a lunch for your child.

**If your child attends St Mary Magdalene Woolwich Campus**, you will need to go to the main gate for the main entrance on Kingsman Street between 11.30am-12 noon. You will not be allowed inside the school building. However, staff will be available to register you and then give you a packed lunch for your child to take away. Please be mindful of social distancing and queue appropriately while waiting your turn.

**If your child attends Christ Church school OR St Mary Magdalene Peninsula Campus**, you will need to go to the main entrance on Hendon between 11.30am-12 noon. You will not be allowed inside the school building. However, staff will be available to register you and then give you a packed lunch for your child to take away. Please be mindful of social distancing and queue appropriately while waiting your turn.

If you have a safeguarding concern while the schools are closed please call the Peninsula telephone number and there will be an option to leave a message or email [eholliday@koinoniafederation.com](mailto:eholliday@koinoniafederation.com). A member of our safeguarding team will monitor any concerns.

The following are websites that may be able to help with food supplies.

Best Wishes

Victoria Wainwright & Claire Harrison Executive Co-Headteachers

I am sure you are aware that the government has decided to close all schools as of the end of school on Friday 20<sup>th</sup> March until further notice. In order to ensure that we support our pupils and families in these unusual times we have put together a pack of work for each child. This will also be supported by our various subscriptions to a wide range of Educational websites, for which each child has their own password and username.

These are the sites that the Federation Primary Campuses subscribe to;

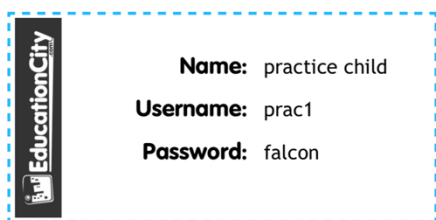

- 1) Education City (Reception to Year 6) - <https://www.educationcity.com/parents/>
- 2) Purple Mash (Reception to Year 6) - <https://2simple.com/purple-mash/purple-mash-parents/>
- 3) Times Tables Rock Stars (Year 2 to Year 6) - <https://ttrackstars.com/page/parentguide>
- 4) Numberbots (Reception to Year 2) - <https://play.numbots.com/#/intro>
- 5) Busy Things (Reception to Year 2) - <https://www.busythings.co.uk/families/parent-tools>

I have included the parent's links for each of these education sites as they are a very helpful if your child or you need basic support with using the sites.

### **Class Notebook Site for Teacher set tasks and activities**

The school is also setting up an Office 365 OneNote Class Notebook site for pupils from Reception to Year 6. This will allow children to access their own class site where a variety of tasks and activities will be set and uploaded by the class teacher. The Class Notebook also allows the teacher to mark and comment on your child's tasks or activities so that your child will get as close a 'classroom experience' as is possible at present. The website address to access this site –

**outlook.office365.com**

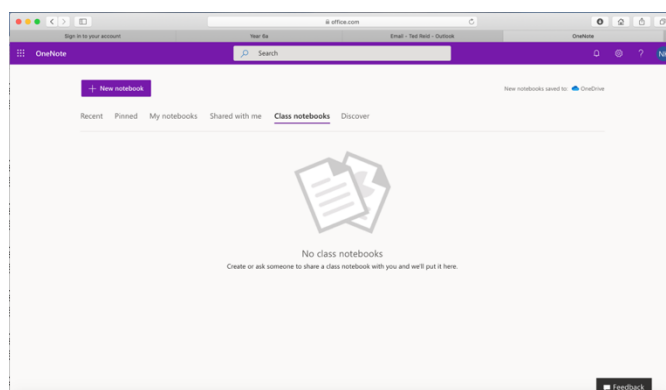

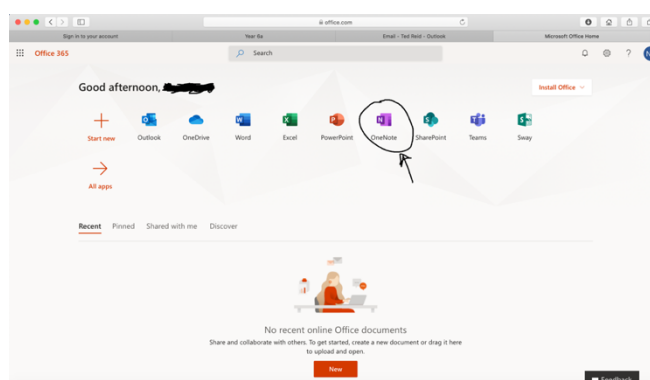

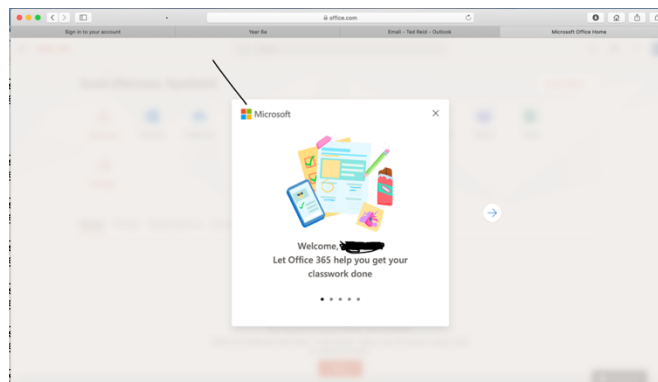

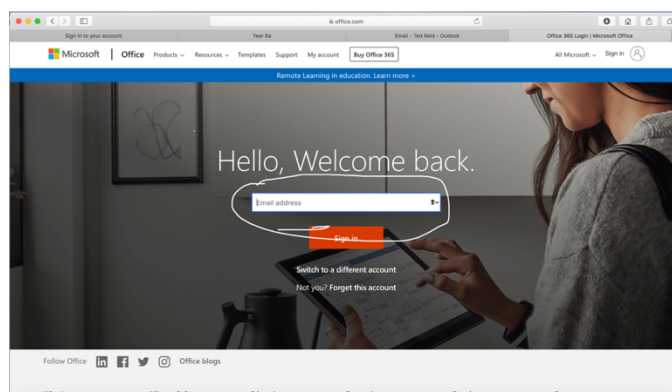

Your child will then be able to login to their Class notebook using their account login that has been given to them. Below is a set of print-screens showing each stage of the login process.
