

## **Laptop Appeal**

**We need your help!**

### **The Koinonia Federation is in desperate need of laptops**

If you have a laptop that you are not using or no longer need, we ask that you kindly donate it to the Laptop Appeal as it could go to a child that desperately needs it. Parents with more than one child are trying to work remotely and having to share a laptop with siblings.

If you wish to donate one, please make sure it meets the criteria:

- The laptop needs to work, and the screen needs to be intact, so no scratches or cracks.
- You have the original charger for the laptop
- Needs to be no more than 5 years old so with Windows 7, 8 or 10 can we installed

If you have a laptop and would like to donate it to the Koinonia Federation, please contact:

Ellis Holliday - [eholliday@koinoniafederation.com](mailto:eholliday@koinoniafederation.com)

Thank you for your support
