AIMS

As a Federation of Church of England Schools, Christian values are at the heart of all we do. We value our relationship with parents and all members of the school and local community. If you have a concern, we want to know about it so that it can be dealt with immediately. Most concerns can be dealt with easily and quickly but to ensure all concerns are handled effectively the Governing Body has adopted a complaints policy and procedure.

Our Federation' Complaints Procedure is devised with the intention that it will:

- usually be possible to resolve problems by informal means;
- be simple to use and understand;
- treat complaints confidentially;
- allow problems to be handled swiftly;
- inform future practice so that the problem is unlikely to recur;
- reaffirm the partnership between parents, staff and governors as they work together for the good of the pupils in the school;
- ensure that the school's attitude to a pupil would never be affected by a parental complaint;
- discourage anonymous complaints;
- actively encourage strong home-school links;
- ensure that all staff have opportunities to discuss and understand the Federation's response to concerns and complaints made by parents;
- ensure that any person complained against has equal rights with the person making the complaint;
- be regularly reviewed

WHO CAN MAKE A COMPLAINT?

This complaints procedure is not limited to parents or carers of children that are registered at the Federation's schools. Any person, including members of the public or volunteers within the Federation, may make a complaint about any provision of facilities or services that we provide. Unless the subject of a complaint should instead be dealt with under separate statutory procedures (detailed at the end of this document), we will use this complaints procedure.

WHAT MIGHT A COMPLAINT BE ABOUT?

The subject of complaints varies, but common issues include:

- the way a pupil has been treated by the school;
- the conduct or actions of other pupils, e.g., bullying, disruption or misbehaviour;
- the action, or lack of action, of members of staff;
- lack of consultation, or information, on changes to school organisation.

THE DIFFERENCE BETWEEN A CONCERN AND A FORMAL COMPLAINT

A concern may be defined as '*an expression of worry or doubt over an issue considered to be important for which reassurances are sought*'. (NB This would have previously been classified as an informal complaint.)

A formal complaint may be defined as '*an expression of dissatisfaction however made, about actions taken or a lack of action*'.

It is in everyone's interest that concerns and complaints are resolved at the earliest possible stage. Many issues can be resolved informally, without the need to use the formal stages of this complaints procedure. The Koinonia Federation takes concerns seriously and will make every effort to resolve the matter as quickly as possible.

If you have difficulty discussing a concern with a particular member of staff, we will respect your views. In these cases, the Campus Leaders (Mrs Ajayi, Mr Hussain, Mrs King or Ms Reid) will refer you to another staff member. Similarly, if the member of staff directly involved feels unable to deal with a concern, the Campus Leaders will refer you to another staff member. The member of staff may be more senior but does not have to be. The ability to consider the concern objectively and impartially is more important.

We understand however, that there are occasions when people would like to raise their concerns formally. In this case, the Federation will attempt to resolve the issue internally, through the stages outlined within this complaints procedure.

Those with a concern or a complaint should not approach individual governors with them. They have no power to act on an individual basis and it may also prevent them from considering complaints at a later stage of the procedure.

HOW DO I RAISE A CONCERN? (Informal)

Concerns (previous known as informal stage) should be raised with your child's class teacher or an Assistant Headteacher at the primary phase or with your child's family tutor, subject teacher or Head of Year for the secondary phase. It may be possible for you to see the member of staff straight away but normally it is better to make an appointment so that you can sit and talk things through. It may be possible to give a response immediately, but where any investigation or information is required, a response will be given as soon as possible.

We would like you to tell us about your concern so that we can discuss with you how best to resolve it. The majority of concerns can be resolved informally by speaking to a member of staff. We welcome suggestions for improving our work in the Federation. Whatever your concern, please know that we shall treat it as strictly confidential.

Be assured that our support and respect for you and your child in our schools will not be affected in any way; please do not delay telling us of your concern. It is difficult for us to properly investigate an incident which is more than a day or two old.

After hearing your concern, we will act as quickly as we can; we will let you know the timescale within which you may expect a response. Please allow time for any action we may take to be effective.

HOW DO I RAISE A FORMAL COMPLAINT?

If you have not been able to resolve your concern informally, or the circumstances justify it, you may raise a formal complaint. Complaints against primary phase staff (except the Campus Leaders or the Executive Co-Headteachers) should be made in the first instance, to the Campus Leader via the school admin office using the Federation complaints form. For the secondary phase, complaints should be made in the first instance, to the Principal via romard@koinoniafederation.com using the Federation complaints form. A senior member of staff will then be assigned to deal with your complaint.

Complaints against your child's Campus Leader, should be addressed to the Executive Co-Headteachers, via eholliday@koinoniafederation.com using the Federation complaints form. Complaints against the Executive Co-Headteachers should be addressed to the Co-Chairs of Governors, via eholliday@koinoniafederation.com using the Federation complaints form. Complaints about the either Co-Chair of Governors, any individual governor or the whole governing body should be addressed to the Clerk to the Governing Body, Sarah.Cooper@bexley.gov.uk using the Federation complaints form. Any other complaints should be addressed to the Executive Co-

Headteachers via eholliday@koinoniafederation.com using the Federation complaints form. All such complaints should be marked as 'urgent and confidential'. If you require help in completing the Federation complaints form, please contact the school admin office, and assistance will be provided to you. You can also ask third party organisations like Citizens Advice to help you.

In accordance with equality law, we will consider making reasonable adjustments if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

ANONYMOUS COMPLAINTS

The Federation will not normally investigate anonymous complaints. Either the Executive Co-Headteachers or Co-Chairs of Governors (depending on who is the subject of the complaint) will determine whether or not the complaint warrants an investigation.

TIMESCALES FOR COMPLAINTS

You must raise the complaint within three months of the incident or, where a series of associated incidents have occurred, within three months of the last of these incidents. The Federation will only consider complaints made outside of this time frame if exceptional circumstances apply.

COMPLAINTS RECEIVED OUTSIDE OF TERM TIME

The Federation will consider complaints made outside of term time to have been received on the first school day after the holiday period (when the schools are open for educational sessions).

RESOLVING COMPLAINTS

At each stage in the procedure, the Federation wants to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation;
- an admission that the situation could have been handled differently or better, or a misunderstanding had taken place;
- an assurance that we will try to ensure the event complained of will not recur;
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made;
- an undertaking to review Federation or individual school policies in light of the complaint;
- an apology.

Please note that in certain circumstances, for example, if the outcome of an investigation is related to safeguarding or employment law, full details of the outcome of an investigation may not be shared with the complainant.

WITHDRAWAL OF A COMPLAINT

If a complainant wishes to withdraw their complaint, we will ask them to confirm this in writing to the appropriate school admin office.

STAGE ONE FORMAL COMPLAINT

Please write to the school making it clear you wish to make a formal complaint and complete our Stage 1 Complaints Form attached to this policy. A senior member of staff will be in contact with you within ten school days of receiving the complaint. The senior staff member will speak to you initially and then a formal response will be given within ten further school days, after any investigation or information required is gathered.

STAGE TWO FORMAL COMPLAINT

If you are still unhappy, ask for an appointment with the relevant Campus Leader within 10 school days of receiving a response under Stage 1.

Christ Church	Ms Reid (Deputy Headteacher)
St Mary Magdalene Peninsula Primary	Mrs Ajayi (Deputy Headteacher)
St Mary Magdalene Peninsula Secondary	Mr Hussain (Principal)
St Mary Magdalene Woolwich	Mrs King (Head of School)

In exceptional circumstances (to be decided by the Executive Co-Headteachers) your complaint may be handled by one of the Executive Co-Headteachers.

You should give a brief outline of your concern on the Stage 2 Complaints Form stating why you were not happy with the outcome of stage 1. The Campus Leader will record the date the complaint is received and will acknowledge receipt of the complaint in writing (either by letter or email) within 3 school days. Within this response, they will seek to clarify the nature of the complaint, ask what remains unresolved and what outcome the complainant would like to see. A face to face meeting may be considered as the most appropriate way of doing this. During the investigation, the Campus Leader will:

- if necessary, interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish;
- collate any relevant documents;
- keep a written record of any meetings/interviews in relation to their investigation.

At the conclusion of their investigation, the Campus Leader will provide a formal written response within 15 school days of the date of receipt of the complaint. If they are unable to meet this deadline, they will provide the complainant with an update and revised response date. The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions the Federation will take to resolve the complaint.

The Campus Leader will advise the complainant of how to escalate their complaint should they remain dissatisfied with the outcome of Stage 2.

If the complaint is about the Executive Co-Headteachers, or a member of the governing body (including the Co-Chairs or Co-Vice-Chairs), a suitably skilled governor will be appointed to complete all the actions detailed above at Stage 2. Complaints about the Executive Co-Headteachers or member of the governing body must be made directly to the Clerk, via the school admin office. The complaint should be marked as 'urgent and confidential'.

If the complaint is: jointly about the Chair and Vice Chair; the entire governing body; the majority of the governing body; or other circumstances justify it, Stage 2 will be considered by an independent investigator appointed by the governing body. At the conclusion of their investigation, the independent investigator will provide a formal written response.

STAGE THREE FORMAL COMPLAINT

The large majority of concerns will normally be resolved by this stage. However, if you still have concerns and they have not been resolved you may ask for your complaint to be considered by the complaints panel of the Governing Body by writing to the Clerk to the Governors* c/o The Koinonia Federation eholliday@koinoniafederation.com This must be done within 10 school days of receipt of response to your stage 2 complaint. Requests received outside of this time frame will only be considered if exceptional circumstances apply. Acknowledgement of receipt of your complaint will be given within 5 school days.

The Clerk will write to the complainant to inform them of the date of the meeting. They will aim to convene a meeting within 20 school days of receipt of the Stage 3 request. If this is not possible, the Clerk will provide an anticipated date and keep the complainant informed. If the complainant rejects the offer of three proposed dates without good reason, the Clerk will decide when to hold

the meeting. It will then proceed in the complainant's absence on the basis of written submissions from both parties.

The complaints panel will be formed of three governors who have had no prior involvement in the complaint. Prior to the meeting, they will decide amongst themselves who will act as the chair of the complaints panel. If there are fewer than three governors from the Koinonia Federation available, the Clerk will source any additional, independent governors through another local school or through their LA's Governor Services team, in order to make up the panel. Alternatively, an entirely independent panel may be convened to hear the complaint at Stage 3.

The panel will decide whether to deal with the complaint by inviting parties to a meeting or through written representations, but in making their decision they will be sensitive to the complainant's needs.

If the complainant is invited to attend the meeting, they may bring someone along to provide support. This can be a relative or friend. Generally, we do not encourage either party to bring legal representatives to the panel meeting. However, there may be occasions when legal representation is appropriate, with the consent of the chair of the panel. If a school employee is called as a witness in a complaint meeting, they may wish to be supported by a union representative or friend.

Note: Complaints about staff conduct will not generally be handled under this complaints procedure. Complainants will be advised that any staff conduct complaints will be considered under staff disciplinary procedures, if appropriate, but outcomes will not be shared with them. Representatives from the media are not permitted to attend.

At least 10 school days before the meeting, the Clerk will:

- confirm and notify the complainant of the date, time and venue of the meeting, ensuring that, if the complainant is invited, the dates are convenient to all parties and that the venue and proceedings are accessible
- request copies of any further written material to be submitted to the panel at least 10 school days before the meeting.

Any written material will be circulated to all parties at least 5 school days before the date of the meeting. The panel will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

The panel will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from Stage 1 of the procedure.

The meeting will be held in private. Electronic recordings of meetings or conversations are not normally permitted unless a complainant's own disability or special needs require it, in which case all parties must be told about it beforehand and consent of all parties attending must be sought before recordings of meetings or conversations take place. Consent will be recorded in any minutes taken.

The panel will consider the complaint and all the evidence presented. The panel can:

- uphold the complaint in whole or in part;
- dismiss the complaint in whole or in part.

If the complaint is upheld in whole or in part, the panel will:

- decide on the appropriate action to be taken to resolve the complaint;
- where appropriate, recommend changes to the school's systems or procedures to prevent similar issues in the future.

The Chair of the panel will provide the complainant and the Federation with a full explanation of their decision and the reason(s) for it, in writing, within 3 school days. The letter to the complainant will include details of how to contact the Department for Education if they are dissatisfied with the way their complaint has been handled by the Koinonia Federation.

If the complaint is: jointly about the Co-Chair/s and Co-Vice Chairs; the entire governing body; the majority of the governing body; or other circumstances justify it, Stage 3 will be heard by a panel of independent governors. The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will

include details of actions the Koinonia Federation take to resolve the complaint. The response will also advise the complainant of how to escalate their complaint should they remain dissatisfied.

NEXT STEPS

If the complainant believes the Federation did not handle their complaint in accordance with the published complaints procedure or they acted unlawfully or unreasonably in the exercise of their duties under education law, they can contact the Department for Education after they have completed Stage 3.

The Department for Education will not normally reinvestigate the substance of complaints or overturn any decisions made by the Federation. They will consider whether the Koinonia Federation has adhered to education legislation and any statutory policies connected with the complaint.

The complainant can refer their complaint to the Department for Education online at: www.education.gov.uk/contactus, by telephone on: 0370 000 2288 or by writing to:

Department for Education
Piccadilly Gate Store Street

SERIAL AND UNREASONABLE COMPLAINTS (Previously commonly known as vexatious)

The Koinonia Federation is committed to dealing with all complaints fairly and impartially, and to providing a high quality service to those who complain. We will not normally limit the contact complainants have with our Federation. However, we do not expect our staff to tolerate unacceptable behaviour and will take action to protect staff from that behaviour, including that which is abusive, offensive or threatening.

We define unreasonable behaviour as that which hinders our consideration of complaints because of the frequency or nature of the complainant's contact with the Federation, such as, if the complainant:

- refuses to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance
- refuses to co-operate with the complaints investigation process
- refuses to accept that certain issues are not within the scope of the complaints procedure
- insists on the complaint being dealt with in ways which are incompatible with the complaints procedure or with good practice
- introduces trivial or irrelevant information which they expect to be taken into account and commented on
- raises large numbers of detailed but unimportant questions, and insists they are fully answered, often immediately and to their own timescales
- makes unjustified complaints about staff who are trying to deal with the issues, and seeks to have them replaced
- changes the basis of the complaint as the investigation proceeds
- repeatedly makes the same or a similar complaint (despite previous investigations or responses concluding that the complaint is groundless or has been addressed) or makes serial complaints
- refuses to accept the findings of the investigation into that complaint where the Federation's complaint procedure has been fully and properly implemented and completed including referral to the Department for Education
- seeks an unrealistic outcome
- makes excessive demands on school time by frequent, lengthy and complicated contact with staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with
- uses threats to intimidate
- uses abusive, offensive or discriminatory language or violence
- knowingly provides falsified information
- publishes unacceptable information on social media or other public forums.

Complainants should try to limit their communication with the Federation that relates to their complaint, while the complaint is being progressed. It is not helpful if repeated correspondence is sent (either by letter, phone, email or text), as it could delay the outcome being reached.

Whenever possible, the Executive Co-Headteachers or Co-Chairs of Governors will discuss any concerns with the complainant informally before making a formal determination that a complaint is 'serial and unreasonable'.

If the behaviour continues, the Executive Co-Headteachers or Campus Leader will write to the complainant explaining that their behaviour is unreasonable and ask them to change it. For complainants who excessively contact the Federation causing a significant level of disruption, we may specify methods of communication and limit the number of contacts in a communication plan. This will be reviewed after six months. In response to any serious incident of aggression or violence, we will immediately inform the police and communicate our actions in writing. This may include barring an individual from the Federation school buildings.

ROLES AND RESPONSIBILITIES

COMPLAINANT

The complainant will receive a more effective response to the complaint if they:

- explain the complaint in full as early as possible
- co-operate with the school in seeking a solution to the complaint
- respond promptly to requests for information or meetings or in agreeing the details of the complaint
- ask for assistance as needed
- treat all those involved in the complaint with respect
- refrain from publicising the details of their complaint on social media and other sources of media/share their complaint with other parents/ members of the community and respect confidentiality.

INVESTIGATOR

The investigator's role is to establish the facts relevant to the complaint by:

- providing a comprehensive, open, transparent and fair consideration of the complaint through:
- sensitive and thorough interviewing of the complainant to establish what has happened and who has been involved
- interviewing staff and children/young people and other people relevant to the complaint
- consideration of records and other relevant information
- analysing information
- liaising with the complainant and the complaints co-ordinator as appropriate to clarify what the complainant feels would put things right.

The investigator should:

- conduct interviews with an open mind and be prepared to persist in the questioning
- keep notes of interviews or arrange for an independent note taker to record minutes of the meeting
- ensure that any papers produced during the investigation are kept securely pending any appeal
- be mindful of the timescales to respond
- prepare a comprehensive report for the headteacher or complaints panel that sets out the facts, identifies solutions and recommends courses of action to resolve problems. The headteacher or complaints panel will then determine whether to uphold or dismiss the complaint and communicate that decision to the complainant, providing the appropriate escalation details.

COMPLAINTS CO-ORDINATOR (if one has been appointed)

The complaints co-ordinator should:

- ensure that the complainant is fully updated at each stage of the procedure
- liaise with staff members, headteacher, Chair of Governors, Clerk and LAs (if appropriate) to ensure the smooth running of the complaints procedure
- be aware of issues regarding:
- sharing third party information
- additional support. This may be needed by complainants when making a complaint including interpretation support or where the complainant is a child or young person
- keep records.

CLERK TO THE GOVERNING BODY

The Clerk is the contact point for the complainant and the panel and should:

- ensure that all people involved in the complaint procedure are aware of their legal rights and duties, including any under legislation relating to school complaints, education law, the Equality Act 2010, the Freedom of Information Act 2000, the Data Protection Act (DPA) 2018 and the General Data Protection Regulations (GDPR)
- set the date, time and venue of the meeting, ensuring that the dates are convenient to all parties (if they are invited to attend) and that the venue and proceedings are accessible
- collate any written material relevant to the complaint (for example; stage 1 or 2 paperwork, Federation and complainant submissions) and send it to the parties in advance of the meeting within an agreed timescale
- record the proceedings
- circulate the minutes of the meeting
- notify all parties of the panel's decision.

COMPLAINTS PANEL CHAIR

The panel's chair, who is nominated in advance of the complaint panel meeting, should ensure that:

- both parties are asked (via the Clerk) to provide any additional information relating to the complaint by a specified date in advance of the meeting
- the meeting is conducted in an informal manner, is not adversarial, and that, if all parties are invited to attend, everyone is treated with respect and courtesy
- complainants who may not be used to speaking at such a meeting are put at ease.
- the remit of the panel is explained to the complainant
- written material is seen by everyone in attendance, provided it does not breach confidentiality or any individual's rights to privacy under the DPA 2018 or GDPR
- if a new issue arises it would be useful to give everyone the opportunity to consider and comment upon it; this may require a short adjournment of the meeting
- both the complainant and the school are given the opportunity to state their case and seek
- clarity, either through written submissions ahead of the meeting or verbally in the meeting itself
- the issues are addressed
- key findings of fact are made
- the panel is open-minded and acts independently
- no member of the panel has an external interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure
- the meeting is minuted
- they liaise with the Clerk (and complaints co-ordinator, if there is one).

COMPLAINTS PANEL MEMBER

Panel members should be aware that:

- the meeting must be independent and impartial, and should be seen to be so
- No governor may sit on the panel if they have had a prior involvement in the complaint or in the circumstances surrounding it.

- the aim of the meeting should be to resolve the complaint and achieve reconciliation between the school and the complainant
- We recognise that the complainant might not be satisfied with the outcome if the meeting does not find in their favour. It may only be possible to establish the facts and make recommendations.
- many complainants will feel nervous and inhibited in a formal setting
- Parents/carers often feel emotional when discussing an issue that affects their child.
- extra care needs to be taken when the complainant is a child/young person and present during all or part of the meeting
- Careful consideration of the atmosphere and proceedings should ensure that the child/young person does not feel intimidated.
- The panel should respect the views of the child/young person and give them equal consideration to those of adults.
- If the child/young person is the complainant, the panel should ask in advance if any support is needed to help them present their complaint. Where the child/young person's parent is the complainant, the panel should give the parent the opportunity to say which parts of the meeting, if any, the child/young person needs to attend.
- However, the parent should be advised that agreement might not always be possible if the parent wishes the child/young person to attend a part of the meeting that the panel considers is not in the child/young person's best interests.
- the welfare of the child/young person is paramount.
