ENGLISH Activity	MATHS Activity 1	SCIENCE Activity
<p>Draw and label the parts of a plant? Now write sentences explaining what the plant needs to grow well.</p> 	<p>Use objects from your home to write number sentences. Can you find all the different ways to make 10? Take a picture of your adding.</p> 	<p>Go on a minibeast hunt. You could do this anywhere; your own garden or a park, even while walking home from school. Take some photos to share what you found or draw them.</p> 
RE activity 1	DT Activity	SCIENCE Activity 2
<p>In RE we will be looking at how Jesus saved and helped a lot of people and is seen as a hero. Who is a hero to you? And why? Draw a picture of them and write a sentence about what they do for you.</p> 	<p>Can you make a flower? Remember to include the petals, stem and leaves.</p>  	<p>Pick an animal and create a lifecycle wheel.</p> 

- 1) Complete 3 or more activities.
- 2) Give in your homework to your class teacher when you've finished an activity.
- 3) For each activity completed you will be given 10 house points. Please put a tick beside each homework activity you have achieved.
- 4) If you make a 3D model or a piece of art work which is too big to put into your homework book, please upload a photo of it onto Tapestry. If you do, please include a short description/explanation of the activity.
