

**THIS HALF TERM WE HAVE BEEN THINKING ABOUT LOVE AND JOY.**

*By this everyone will know that you are my disciples, if you have love for one another.*

**John 13:35**

Dear parents and carers,  
See some examples of the brilliant work the pupils have been up to in the last week. Do have a lovely time over the Christmas holiday

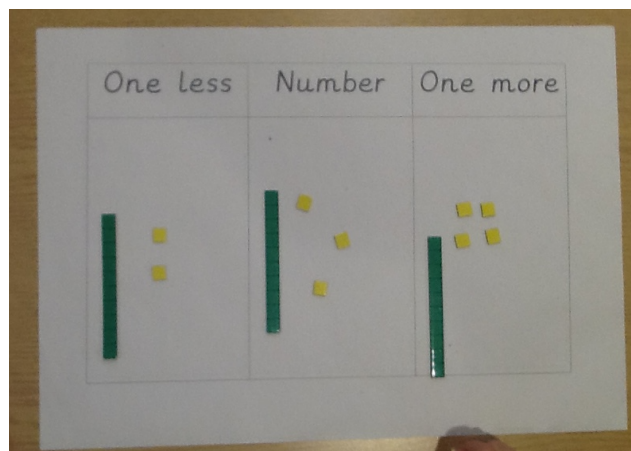

**Mrs Ajayi**

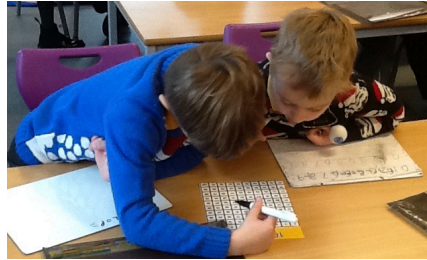

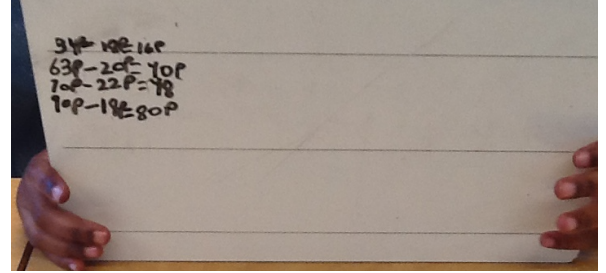

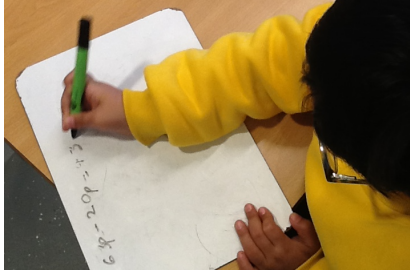

**Bellamy Class** have been making salt dough decorations for the Christmas tree.

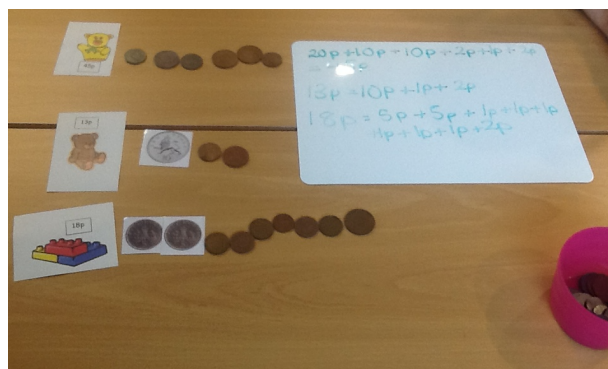

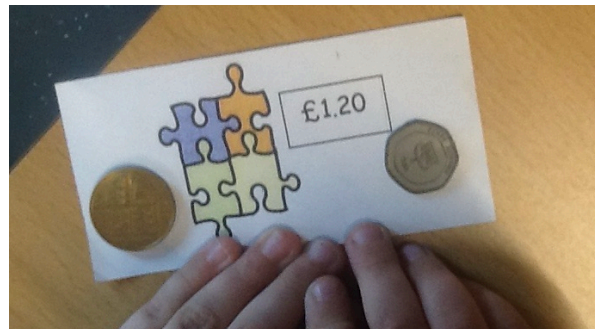

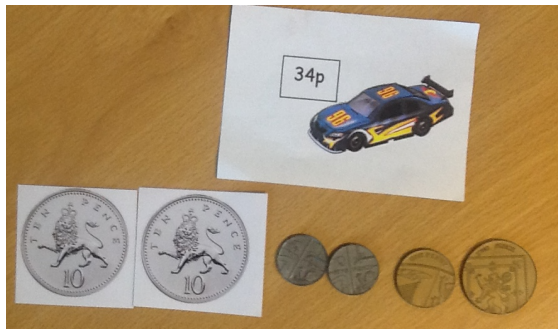

**Orchard Class** have been busy making decorations for the class Christmas tree.

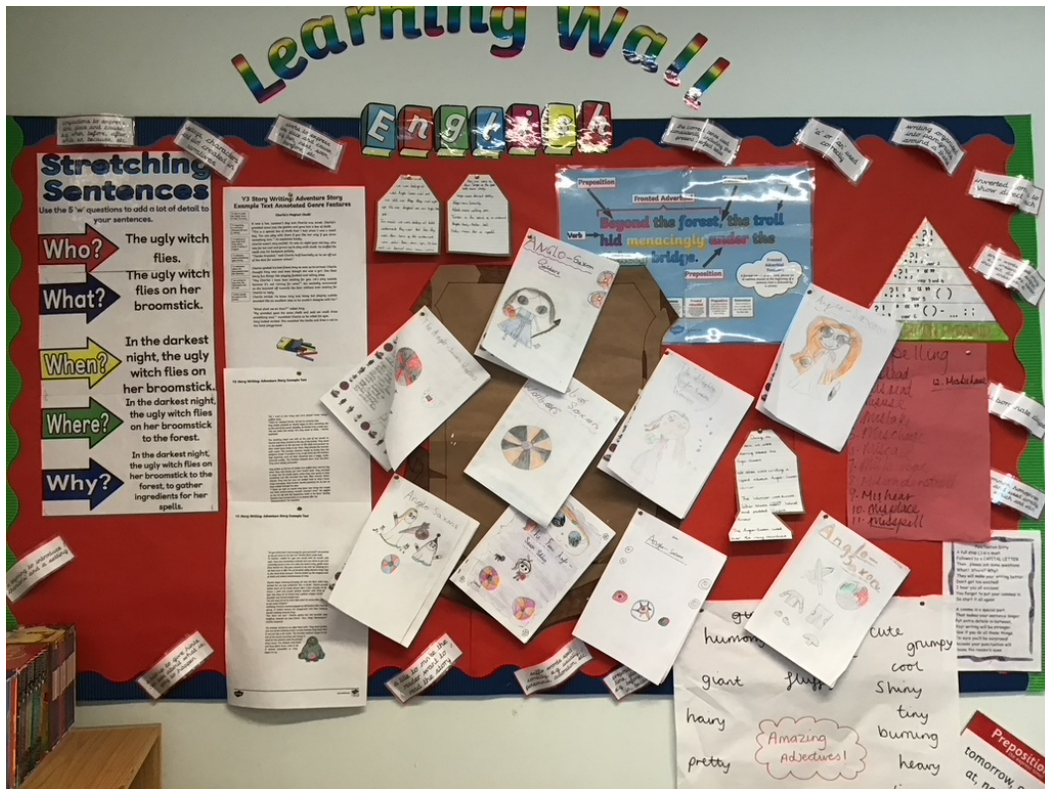

**Stephens Class** have been super busy, thinking about the place value of numbers, and finding one more and one less of numbers between 11- 20.

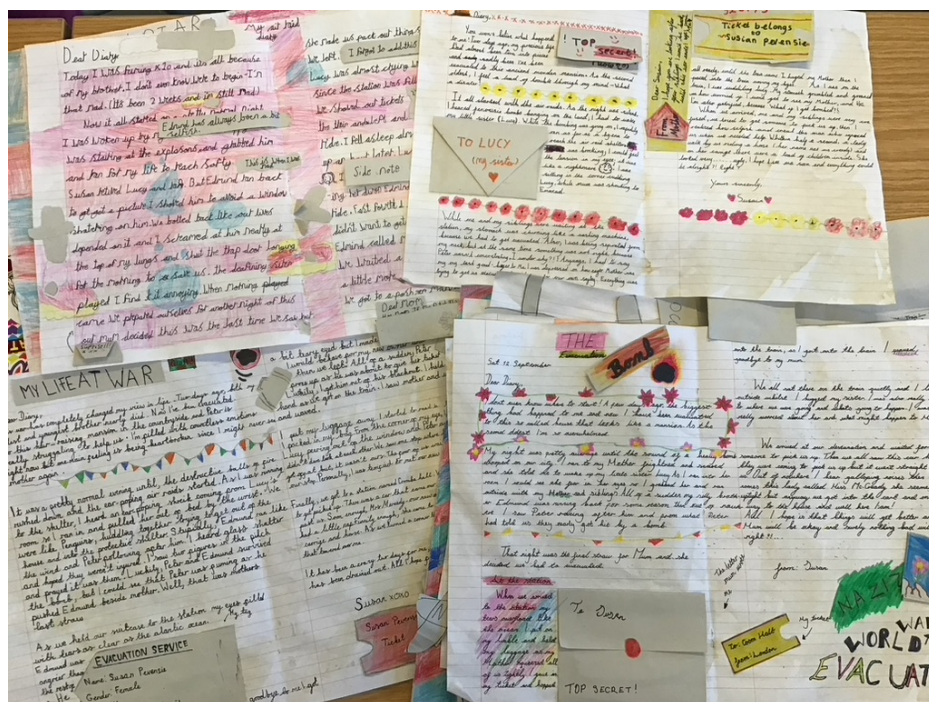

**Chessun Class** have been looking at different values in maths for the money topic! The pupils were given a shopping list and worked in pairs the difference between their items.

**Ipgrave class** have been focusing on how to select money for certain items. During this lesson, they were all given a range of items with a price tag and had to independently select the correct coins to match these amounts given.

This half term **Sanders Class** have been learning about Anglo Saxons. For English they made leaflets about the Anglo-Saxon warrior. Do you know what was the most popular weapon used by them? Did you know that Britain was invaded by the Saxons because their own land was always being flooded?

These are some examples of the diary entries **Gregory Class** have published inspired by the book 'My Secret War Diary'.
