Monday 11th January 2021

Dear Parents/ Carers,

Happy New Year and welcome to the new term. We hope you had a good time together as a family during the Christmas break.

Due to Government restrictions, school will be closed until further notice and all learning will be provided online using Satchel. You should have already received more information about this and should now know your Satchel log ins and passwords, ready to access our online learning. Please contact the office if you have not got your log in information.

The lessons provided on Satchel will be a selection of powerpoint presentations, and videos, recorded by the Year 1 teaching team, along with independent work to be completed at home. Attached is a recommended timetable for you to follow, although this flexible to your schedule. We have tried to keep this similar to your child's regular timetable at school. Please note all children are expected to complete at least 3 hours of learning time a day, with breaks. Where possible, please upload your child's completed work online for their teacher to mark, for example; this could be a photo you have taken of their work.

Our learning this term will be focusing on " **How Can I Change My World?**" which will involve looking at the local community and environmental issues using the book '**10 things I can do to help my world**' by **Melaine Walsh** as a focus text.

|------------------|-----------|
| Science | RE |
| Seasonal changes | Judaism |

We will be aiming to make phone calls home to you and your child weekly to make sure you are well and give support if needed. Please be aware this may be from a withheld number if we are working from home.

Thank you all so much for your support and cooperation during these strange times. We hope you all stay safe and well.

Kind regards,

Miss Baptiste, Miss Battey
And the Year One team.
