PUPIL PREMIUM STRATEGY 2019 -20

1. Summary information			
Academic Year	2019/20	Total Pupil Premium Grant	£118,380
Total number of pupils	189	Number of pupils eligible for Pupil Premium Grant	82 (43%)
Review date	Autumn 2020		

We have identified the following as barriers for some of the pupils currently in receipt of Pupil Premium:

- Persistent absence
- Low self-esteem/resilience
- Low parental engagement from parents of those children eligible for pupil premium
- Lack of cultural capital

In addition to the above based on Analysing School Performance we need to address the following in regard to pupils in receipt of Pupil Premium:

- Support year 6 and 2 to achieve results that are in line or above national and RBG
- Narrow the gap between the attainment of disadvantage and non-disadvantage
- Narrow the gap between the attainment of boys and girls
- Parental engagement – Particularly in their child’s academic education
- Developing children’s wider experiences outside the classroom
- Improve the quality of writing across the school
- Develop children’s mathematical skills – Pupils to become confident at reasoning and explaining in mathematics
- Develop children’s reading comprehension skills through the Beanstalk Reading Support Programme
