

ST. MARY MAGDALENE CE SCHOOL

ADMISSION POLICY 2019-20

FOR THE SECONDARY PHASE

Romans 12:4-5 We have many parts in the one body, and all these parts have different functions. In the same way, though we are many, we are one body in union with Christ, and we are all joined to each other as different parts of one body.

St. Mary Magdalene Church of England School is an all-through school for pupils aged 3-19. It has a distinctive Christian ethos which is at the heart of the school. It provides an inclusive, caring and supportive environment where children learn and flourish in a setting shaped by Christian values. **We welcome applications from all members of the community** and we ask all parents to respect the Christian ethos of our school and its importance to our community.

The Governing Body is responsible for the admission of pupils to the school and admits a total of 180 pupils to Year 7 each year, this number includes those who wish to transfer from St. Mary Magdalene CE School primary phase (up to a maximum of 60 pupils). The minimum number of places offered to external applicants will therefore be 120. The admission number has been agreed between the Governing Body and the Local Authority and applies to the year 2018.

Pupils transferring from Year 6 at St. Mary Magdalene CE School primary phase have automatic entry into Year 7 of the secondary phase. Neither a Common Application Form nor a Supplementary Information Form need to be completed. Until 2021, this will not be greater than 60 places. The primary phase is currently expanding and will be full from 2021 at which point there will be 120 pupils in Year 6 who have automatic entry. If there are fewer than 60 (or 120 in 2021) of St. Mary Magdalene CE Year 6 pupils transferring into Year 7, the remaining places will become additional places for external applicants.

Children with a statement of special educational needs (SEN) or an education, health and care plan (EHP) naming the school will be admitted within the 180 place total and may therefore reduce the number of places offered to external applicants.

OVERSUBSCRIPTION CRITERIA

FOUNDATION PLACES

The Governing Body has designated **40 places** each year as foundation places, with additional places becoming available as described above should fewer than 60 of the school's own Year 6 pupils transfer into Year 7. **Foundation places will only be offered to children whose parents are regular and faithful worshippers (see note 5) in an Anglican or other Christian Church, which is a full member of Churches Together in Britain and Ireland or the Evangelical Alliance.** Written evidence of applicants' commitment to their place of worship will be required at the time of application on the School's Supplementary Information Form (SIF), which must be returned to the School; this evidence must be endorsed by a priest or minister.

If there are more qualifying applicants than foundation places then places will be allocated according to the following criteria. These are stated in order of priority:

- i)** Looked after children or previously looked after children (see note 1);
- ii)** Children with an acute and professionally supported medical or social need for a place at this school (see note 2);
- iii)** Children attending Christ Church C of E Primary School (SE10), which is in the Koinonia Federation, whose parent/carer is a regular and faithful worshipper at an Anglican Church or a Christian church (see note 6);
- iv)** Children with a sibling attending the school at the time of the child's admission (see note 3);
- v)** Children attending the named schools below whose parent/carer is a regular and faithful worshipper at an Anglican Church or a Christian church (see note 6) and resides in the Deaneries of Charlton, Plumstead or Eltham & Mottingham (see note 4):

 - Christ Church C of E (SE18);
 - St Alfege with St. Peter's C of E (SE10);

- viii)** Children of a parent/carer who is a regular and faithful worshipper at an Anglican or Christian church (see note 6) and resides outside the Deaneries of Charlton, Plumstead or Eltham & Mottingham.

If there are fewer applicants than the number of foundation places, any unfilled places will become additional community places. Unsuccessful qualified applicants for foundation places will be considered for any community places remaining unfilled at the end of the allocation procedure.

COMMUNITY PLACES

The Governing Body has designated **80 places** each year as community places, **to be offered to pupils who do not qualify for a foundation place (and have not completed a Supplementary Information Form when applying for a place at the secondary school)**, but whose parent(s)/ carer(s) have chosen the school for the type of education it provides. Parent(s)/ carer(s) applying for a community place do so knowing that the school aims to provide an education based on Christian values.

If there are more applicants than community places, places will be allocated according to the following criteria. These are stated in order of priority:

- i) Looked after children or previously looked after children (see note 1);
- ii) Children with an acute and professionally supported medical or social need for a place at this school (see note 2);
- iii) Children attending Christ Church C of E Primary School (SE10), which is in the Koinonia Federation ie. pupils who are not eligible for a foundation place and whose parents wish to apply for a community place;
- iv) Children with a sibling attending the school at the time of the child's admission (see note 3);
- v) Children in order of nearness of the home to the school (see note 7).

If there are fewer applicants than the number of community places, any unfilled places will become additional foundation places. Unsuccessful qualified applicants for foundation places will be considered for any community places remaining unfilled at the end of the allocation procedure.

TIE BREAKER

In the event of oversubscription in any of the above foundation and community criteria, priority will be determined in order of nearness from the home to the centre of the school site based on the Peninsula Campus, with those living nearest the school being given the highest priority. In the event that two or more applicants live the same distance from the school and there are insufficient places to admit all applicants, places will be allocated by the drawing of lots.

Notes:

- 1) Looked after children are children who are in the care of a local authority, or being provided with accommodation by a local authority in the exercise of their social services functions as defined by Section 22(1) of the Children Act 1989 at the time of making an application to the school. Previously looked after children are children who were looked after immediately prior to being adopted, or who became subject to a residence order, (now termed child arrangement order under the Children & Families Act 2014), or special guardianship order. The Governors will require written confirmation that the child is looked after, or previously looked after and will be so at the time of making an application to the school.
- 2) This must be supported by written evidence, e.g. from a specialist health professional, doctor, social worker, or other care professional which sets out the reasons why this school is the most

suitable school and the difficulties that would be caused if the child had to attend another school. The admission decision will be considered by the school's governing body. Advice will be sought from medical and teaching professionals where appropriate.

- 3) Qualifying siblings are a full/half/step brothers or sisters living at the same address and attending the primary or secondary phase of the school at the time of the child's admission. The sibling criterion does not apply to children attending the nursery or Post 16 provision.
- 4) The Deanery maps and boundaries are available from the school.
- 5) Supplementary Information Forms for the foundation places must confirm that a parent/carer is a regular and faithful worshipper (member) who has attended church on at least two occasions within each month for 12 consecutive months immediately prior to the closing date for applications. Those who have recently moved to the area and who worshipped previously in a different church will be asked to supply a reference from that church.
- 6) An Anglican or other Christian church is one which is a full members of Churches Together in Britain and Ireland or the Evangelical Alliance. Pastors/ministers of non- Anglican Christian churches will be required to confirm their church's membership on the Supplementary Information Form.
- 7) Distance is measured in a straight line using the local authority's computerised mapping system. This measurement will be from the front door of the child's home to the centre of the school based on the Peninsula Site. When there are applicants from the same block of flats then the lowest alpha/ numeric will be given priority. If your child resides equally between both parents, we consider the principal home address as being the address at which your child is registered whilst attending primary provision, with a GP and, if applicable, the address of the parent who is in receipt of Child Benefit or Child Tax Credits for your child.

Co-ordinated admission arrangements for external applicants

The School is part of the locally agreed co-ordinated admission arrangements and the timescales for applications to be received and processed are those agreed with the local authority. Parents must complete their home local authority's Common Application Form and return the form to their Authority; if applying for a place at this School, parents must name this School as one of the preferences on the Common Application Form. On-line applications may be made via 'www.eadmissions.org.uk'. More information is available in your local authority's admission booklet or on the local authority's website. The Governing Body is responsible for in-year admissions. Parents/carers wishing to apply in-year must complete an application form and return this to the School.

Parents who wish to apply for a foundation place must also complete the school's supplementary form and return this to the School. Failure to return the supplementary information form will mean that the school cannot consider the application under the church criteria, in this case the application will be considered under the next most appropriate criteria based on the information on the Common Application Form. The Supplementary Information Form is available from the Local Authority website as well as the School and Local Authority offices. The deadline for the Supplementary Form is the same as the Common Application Form.

Late applications

The Governors will consider late applications in accordance with the procedure in the local authority's co-ordinated scheme as published in the LA school admissions booklet.

Waiting list

The School operates a waiting list, which is ordered in accordance with the admission criteria. The waiting list is held until the end of each academic year in which the child starts. Parents may request in writing to join the waiting list. If an application is received and a child is added to the waiting list, the list will be re-ranked in accordance with the oversubscription criteria. Parents will need to re-apply each academic year if they wish their child's name to remain on the school's waiting list.

Fair Access

The School is committed to taking its fair share of pupils who are hard to place in accordance with the locally agreed fair access protocol. Pupils admitted under the protocol will take priority over any children on the waiting list and those awaiting an appeal. Admitting a child via the protocol, may mean, on occasion, admitting above the planned admission number.

Special educational needs

Parents of pupils who have a statement of special educational needs, or Education, Health and Care (EHC) Plan are required to apply for school places separately through the local authority from whom advice is available. The Governors will admit all those pupils whose statement or EHC Plan names the School.

Education out of normal (chronological) age group

Children are normally educated in school with others of their age group; however, in exceptional circumstances parents/carers may seek a place outside of their child's normal age group. Decisions will be made on the basis of the circumstances of each case. Parents/carers must state clearly why they feel admission to a different year group is in the child's best interests and may provide recent professional evidence to support this. Further details of how to make such a request are available from the school.

Appeals

Appeals are in accordance with the School Standards and Framework Act 1998 and parents who are not offered a place for their child have the right to appeal to an independent appeal panel. Parents wishing to appeal should obtain an appeal form from the school. The form should be sent to reach the Clerk to the Appeal panel, c/o the School, within 20 school days of the date of the letter confirming the governors' decision not to offer a place. Should an appeal be unsuccessful, the Governing Body will not consider a further application from those parents within the same academic year unless there have been significant and material changes in their circumstances.

Applications for the secondary, primary and nursery places need to be made on the form specific to the phase of the school for which you are applying. Year 7 applications for the next academic year starting in September 2019 must be submitted by 31st October 2018.
