

# Student bulletin

Dear students,

I hope you are all well and are looking forward to half term next week. You will not have any new work uploaded onto SMH next week so you can all get some rest and hopefully be able to continue enjoying the great weather we have experienced this week. As mentioned in the newsletter to your parents, if you know that there is work from previous weeks which you are behind with, then please do spend some time trying to catch up on this next week.

Thank you to all of you who uploaded thank you messages to our teachers. There were some lovely messages shared!

## Message from Mr Greewood

Let me start by saying a big well done to most of you for working hard at home over the last half term! We are pleased that most of you are completing your work and doing your very best. I hope that you have enjoyed speaking to your family group tutor recently too. Do remember you can contact any of your teachers through Satchel if you need help or want to ask a question. Over the half-term break (Monday 25 May - Friday 29 May), you will not continue to be set work. However, if you have fallen behind on any of your work, or haven't completed some work, please use this time to catch up. This will ensure you don't fall behind in your learning. Work will be uploaded on Satchel once again from Monday 1 June (the start of the new half term).

## Collective Worship

I know many of you have been enjoying the Collective Worship from Heads of Year and Steve Gurnett via Satchel or on our [Federation YouTube channel](https://www.youtube.com/channel/UCPYn5XG2iDrw9bNOapiuGRg) (<https://www.youtube.com/channel/UCPYn5XG2iDrw9bNOapiuGRg>). The Church of England have also produced a weekly worship video, 'Faith at Home' (<https://www.thenational.academy/extracurricular/faith-at-home>) targeted at secondary students which I think you would enjoy.

## Message from Rev Dom

This week we celebrate Jesus going up to heaven – it is called Ascension.

I can imagine what the disciples saw as they watched Jesus going up into the clouds.

But I wonder what it was that Jesus saw looking down on them? And I wonder what he prayed as He went?

Why not look on Google Maps for a satellite picture of your street, your neighbourhood, your country, our world. And pray for them. From now until Pentecost in 10 days time churches around the world are praying for all people.

You can find more information at: <https://www.thykingdomcome.global/about-us>

You will find fun ideas of how to pray and care for the people around you and around the world.

May your prayers join with people around the world to bring love and care and God's Spirit into all places. Amen.

## Weekly Celebration Rewards

This week's R3 winners are as follows:

Student name	Teacher	Subject	Reason
