

Student bulletin

Dear students,

Welcome to the second bulletin of the week. Along with the weekly R3s, I would like to share a poem written by Moses E (10EBA) about the current lockdown situation we all find ourselves in. Both Miss Botha and Ms Alderson were very impressed and wanted to share it with all students.

PSHE poem by Moses E

Message from Mr Hopkins

Firstly, I hope both you and your families are well.

Many thanks to the 600 of you who replied with your responses to the student voice survey. Your feedback has been extremely helpful in allowing us to review your experience of distance learning. We are currently reviewing distance learning and are hoping to implement some changes soon to improve your experience. It was fantastic to see from your responses that the vast majority of you are logging on to SMH daily and completing your work on time and to a good standard.

You will now all be receiving phone calls from your tutors on a weekly basis. If there are issues with your learning or communication with staff, please speak to your tutor about this. They will then pass this information on to relevant staff.

A large number of you have asked how the staff are during lockdown and I am happy to say we are all well. Additionally, over 100 of you asked when school will return. As you know we will be following the government's guidance and will only be returning when it is safe to do so. This is why it is so important for you to keep up with your distance learning. When we do return you do not want to find yourself behind in your learning compared to your classmates.

I will be sending out another student questionnaire after half term to see how you are all faring. It would be great to have even more responses in order for us to improve your distance learning experience. In the meantime, stay safe and keep washing those hands!

Weekly Celebration Rewards

This week's R3 winners are as follows:

Student name	Teacher	Subject	Reason
Year 7
