Dear Parent/ Guardian,

## Re: Ingredients for Food Technology lessons

To ensure every pupil is able to cook during every practical lesson and to avoid the distress of forgotten ingredients, we have decided to supply all ingredients for each planned activity at cost price to students from September 2019.

By supplying the ingredients, we can;

- Reduce the overall cost of ingredients to you by buying them in bulk
- Ensure pupils build up a repertoire of culinary skills by cooking every practical lesson
- Avoid the last minute "I'm cooking tomorrow" the night before a practical lesson
- Provide ingredients at a consistent price, quantity and quality

Please see the table below for the overall contribution required for ingredients for practical work:

Year Group	Amount required to pay
Year 7	£5
Year 8	£5
Year 9	£7.50
Year 10 (Chosen GCSE subject)	£30

This will be a **one-off** payment for the academic year. Please make your payment via **School Gateway** before **Monday 28<sup>th</sup> October 2019**. We will be unable to accept any cash payments, so if you have any issues with accessing School Gateway please contact the school office for further assistance. Please note, this contribution will need to be paid before your child can take part in a practical lesson so if you require financial assistance please let the school know. Also, if you have any queries, please do not hesitate to contact the school office.

Yours sincerely,

Mrs Mckenzie

**Food and Nutrition Teacher**
