Here are some great opportunities/advice:

University of Reading:

We have got some great webinars coming up if you would like to circle them to your students. Please also see attached for Spring 2022 opportunities with the University of Reading. I have lots of free slots this term to come and run events.

- [Archaeology at Reading: The 'Lost' Monastery of Queen Cynethryth at Cookham.](#) Wednesday 26 January, 4pm to 5pm

- [Geography at Reading: A Virtual Fieldtrip to Santorini.](#) Thursday 10 February, 4pm to 5pm

- [Why llamas could provide the magic bullet to beat COVID-19.](#) Tuesday 15 February, 12pm to 1pm

- [Applying to university with a BTEC qualification: Q&A with Admissions Staff.](#) Monday 28 February, 4.30pm to 5.30pm

- [English Literature Subject Insights: Black British Writing.](#) Thursday 10 March, 4pm to 5pm.

Here is a video explaining the programme and feedback from previous students: <https://medicmentor.co.uk/medicine-national-healthcare-weekend/>

We will be looking at:

What is it like to be a doctor?, Perspectives from recent successful and current applicants, CV Building, Getting Work Experience, Medical Personal Statements, Medical School Interviews, UCAT & BMAT Exams, How to access Medical Awards, Prizes, Leadership Programmes, and Scholarships to study Medicine at University.

Upcoming dates: Saturday 29th January & Sunday 30th January

Praises & Mentions

Don't Forget: Write All Praises and Mentions on Paper and Post it in the Sixth Form Mentions Box Behind the Student Welfare Desk.

It's never too early to start thinking about your career!

Work Discovery Opportunities	Apprenticeship Opportunities	<p>Intermediate, advanced higher and degree apprenticeships combine practical on-the-job skills training with off-the-job learning. You'll get training that is relevant to your job and be paid a salary. Start at a level to suit you, with support if you have special needs or a disability. You'll spend 80% of your time in the workplace and 20% off-the-job with some study in a college or training centre.</p>

Job Employment Opportunities	<p><u>Search Engines:</u> www.indeed.com www.reed.com www.totaljobs.com https://careers.google.com/</p>
NHS Work Experience	<p>We are delighted to let you know that the NHS Allied Work Experience Programme is in full swing and available for your year 10-13 or S3-S6 students to participate.</p> <p>They can register individual spaces at this link or you can register them as a group online too: https://alliedhealthmentor.org/nhs-healthcare-careers-virtual-work-experience/</p> <p>All students will be awarded with a Work Experience Certificate for participating on the day. This is something that they can include in their UCAS and Apprenticeship Applications.</p> <p>The next Work Experience Day is on the 5th December and it will cover the following healthcare careers:</p> <ul style="list-style-type: none"> - Nursing - Midwifery - Paramedicine - Physiotherapy - Occupational Therapy - Dietetics - Radiography - Prosthetics and Orthotics - Speech and Language Therapy - Pharmacy

<p>Higher Education opportunities</p>	<p>Universities transform people's lives through education and through the wider impact of their research. University research benefits everyone – creating businesses and jobs, enriching society and stimulating culture. All students will discover fresh opportunities and learn more about the many exciting career pathways open to them. The sky's the limit!</p> <p>"University can help students to build their self-confidence and independence. Students will have plenty of opportunities to make new friends from different countries and backgrounds. Living independently can also nurture an increased level of responsibility." - https://www.cardiff.ac.uk/study/undergraduate/parents-andsupporters/whygo-to-university</p> <p>Local Universities:</p> <ul style="list-style-type: none"> - https://www.gold.ac.uk/ University Guidance: - https://www.ucas.com/

<p>The Brokerage – www.thebrokerage.org.uk</p>	<p>25 January 2022, 4:30pm-6pm A Day in the Life of a McGill Employee Find out how varied careers in the insurance sector can be. In this session we will be hearing from a variety of volunteers including from the Renewable, Power and Energy team at McGill and Partners.</p> <p>Renewable energy is one of the most exciting areas of Insurance and is an subsector that is set to continue to grow. If you're passionate about our planet and learning about what the City is doing to protect it's future, this is a great session for you.</p> <p>Launched in 2019, McGill and Partners is a new boutique risk solutions business created by some of the most well-regarded leaders in the insurance industry, specialising in complex and challenging needs.</p> <p>Click here to book your place.</p> <p>8 February 2022, 4pm-5:30pm A Day in the Life of an Actuary...with Canopius Actuaries are problem solvers and strategic thinkers, who use their mathematical skills to help measure the probability and risk of future events. They use these skills to predict the financial impact of these events on a business and their clients.</p> <p>Come and learn more about this exciting AND highly paid role in the City. Being led by volunteers from the leading Insurance firm Canopius, you will explore what an Actuary does, what their day to day role looks like, as well as taking part in interactive activities where you will be able to practice the skills necessary to succeed within the role. You will also have the opportunity to ask questions to and network with a variety of volunteers from Canopius.</p> <p>Canopius are an independent (re)insurance company with a strong presence both at Lloyd's in London and across the globe, backed by private equity owners with a large asset base that enables them to capitalise on the ever changing market. They are one of the top 10 insurers in the Lloyd's of London insurance market with offices in the UK, US, Singapore, Australia and Bermuda.</p> <p>Click here to book your place.</p>								

Thank you...See you Next Week!
