Our Learning this Term will be focusing on “**New Beginnings**” which will involve many practical getting to know you activities. The curriculum overview is also attached outlining our theme and activities for the first few weeks. Our theme will cover PSHE English, Maths, Geography, History, Music, and Art, which will link to the book “**Here We Are**” by Oliver Jeffries. A letter detailing our next theme will be sent out in due course.

Spellings will be practised in class for the first three weeks using the spellings from the booklet, which has being sent home today with your child. After that spellings must be learned at home to be tested in class.

Reading will take place daily in the classroom and books will be changed weekly. Your child will be given their book on a specific day and they will need to return it the following week. Please make sure you put the reading book and record in the plastic wallet provided. We ask that you support your child’s progress by reading regularly with them and completing the reading record when they have read to you.
