

# Black History Month 2021

During Black History Month at Saint Mary Magdalene School, we have had lots of exciting activities and events going on. We have been learning about different countries in Africa particularly focusing on the 'Proud to be me' theme for Black History 2021.

*Having fun dancing in our school parade*

The continent of Africa is home to so many diverse and cultural communities which we have enjoyed learning about and celebrating. In our own school community, we have a varied range of cultures and backgrounds which we celebrated throughout the week.

*Sharing our dance moves on the MUGA pitch*

Each class learnt about a different country in Africa. Some of the activities involved making our own personalized flags, learning about the industries that are integral to the economies, African dancing and making delicious food such as jollof rice, puff puffs and Zambian cakes just to name a few! We ended the celebrations with a sensational parade. Thank you to all the families who joined in with us.

*Enjoying and celebrating in the fun*

We would also like to say a big thank you for all the support and help towards making this year's black history celebrations a fantastic success. Thank you to all the staff at St Mary Magdalene School, parents and of course our amazing pupils.
