

Summer 1 - Family: Gratitude - "O give thanks to the Lord, for he is good; for his steadfast love endures for ever." Psalm 107: 1

Dear Children,

I know you have all been working hard again this week and I know some of you will be looking forward to returning to school very soon. We are so excited about seeing you. If you are not coming into school yet, don't worry because we will continue to set work for you online and staff members will also continue to speak to you over the telephone to see how you are getting on. Remember to behave well at home, enjoy the lovely weather, get outside when you can, have fun, play nicely, pray every-day, wash your hands, keep social distance from those not in your household and stay safe.

Sending you my love and best wishes as always,

Mrs King

**STAFF NOMINATIONS – showing gratitude**

All the staff at the school have been donating food and money for families who need a little bit of help. We have also had some very generous donations from local shops which we are very grateful for. One of our parents wrote in to say,

*"I really want to say a big thank to all the staff of St Mary Magdalene Woolwich for the food given and may God richly bless and continuously protect and strengthen you in name, JESUS CHRIST."*

The children in school this week showed their gratitude and wrote some thank you notes to their teachers and staff in the school for 'Thank The Teacher Week'. A lovely display of their work has been created. Here it is...
