Assessment- Feedback and marking

Mistakes are ok.

- **Mistakes are a sign you are trying.**
- Erasers are discouraged.
- Work should be corrected by putting a neat line through the mistake

WE GIVE FEEDBACK IN A VARIETY OF WAYS:

- Visualisers are used to give live feedback and address any misconceptions.
 - Self or peer marking
 - Use of quizzes or quick fire questions to recap learning.
 - Weekly appropriate reasoning and problem solving question(s) to solve in children's books to push learning on.
-
- **All work is marked using the** learning intentions for each lesson
 - No tick, 1 tick or 2 ticks are given next to the learning intention to indicate the child's understanding.
 - This informs the final judgement on the subject assessment tracker.

Handwriting

We teach handwriting from Nursery through to Year 6.

- Developing a personal style in handwriting (Upper Key Stage 2)

By Year 6, all pupils should be writing neatly using a cursive font with all letters joined.

All children should be using a handwriting Pen in all books.

30. Maintaining legibility in joined handwriting when writing at speed

Ensuring that children have good writing posture is essential.

- Good pencil grip
- Personal space
- Height of tables and chairs
- Good lighting
- Non-writing hand to steady the paper
- Tilt paper slightly
