Monday 26th April 2021

Dear Parents/ Carers,

We hope you all had a wonderful Easter Break. We would like to take this opportunity to say thank you very much for all of the lovely cards and gifts.

As you are aware, this year is a very important year for the children in Year 6 and we have a lot of hard work to do in order to prepare for the end of year assessments. Therefore, Year 6 will have a slightly different timetable for this term as the main focus of their learning will be English and Maths. They will also continue to participate in the creative curriculum, PE, RE and Science lessons alongside English and Maths.

Our theme for this half term is 'Medicine Through Time'. We will be looking at a range medical practices throughout history to enrich our creative writing sessions. In English, we will be writing time travel stories focusing on using different descriptive devices to keep the reader entertained. In art, we will be studying the art work of Leonardo Da Vinci and creating art work using his style. In PSHE we will be learning about our mental health and wellbeing. Our focus for RE will be exploring The Journey of Life and Death, exploring how different religions express the meaning of life and reflecting on our hopes for the future. Science lessons will be focusing on working scientifically and improving our investigation skills through conducting experiments..

Home work will be set every Thursday and will be due on the following Tuesday. PE lessons are on Tuesdays and Fridays. Daily reading is also part of your child's study and they all have been given a reading record to complete every time they read. We have high expectations for the standard of work in Year 6 and anticipate good results from the children.

If you have any questions or concerns, please do not hesitate to contact us. Please ring the school office to make an appointment.

Kind regards,

Miss Levesley and Mrs Thomas
