

Summer 1 - Family: Gratitude - "O give thanks to the Lord, for he is good; for his steadfast love endures for ever." Psalm 107: 1

Dear Children,

I hope you and your families continue to keep safe and well. It is such a long time since we saw your beautiful faces and heard your laughter but we must continue to have hope that you will return to school soon, stay strong and follow the guidance to 'stay at home'. For those of you in year 6, please email your class teacher (on Purple Mash or OneNote) to let them know how things are going and any areas of work you are struggling with. If any of you or your parents and carers would like to contribute to this newsletter, please email your comments to the main school office.

Sending you my love and best wishes as always,

Mrs King

THOUGHT FOR THE WEEK...

*Piglet noticed that even though he had
a very small heart,
it could hold a rather large
amount of Gratitude.*

STARS OF THE WEEK

In Nursery, **Deborah** has been trying her very best completing all the work Mrs Turner has set online so far. She has been learning her letters of the alphabet, their individual sounds and using the sounds to find objects around her home.

Akorede in Year 3 for showing great enthusiasm towards his home learning and **Carter-Jai** for his excellent observations and recording of a science experiment this week.

Jesse and Rebecca in Year 6 for their excellent maths work this week, and **Favour** for her work on evolution.

Adaeze in Year 5 for consistently completing homework tasks on all the online learning platforms. We especially liked the humour here- Medusa trying to put on a swimming cap.

Medusa's Head

This is medusa and this is her trying to fit the snakes in her cap 🐍👌

Uche has been completing lots of work on Purple Mash and has created this most appropriate image and called it "COVID19 human".
