

Harvest Festival 2021

For the first time in 3 years, St Mary Magdalene children and staff were able to enjoy a Harvest Service at St. Mary Magdalene Church. Due to the pandemic, our services have been school based and virtual.

After a warm welcome, Rev Jesse led us in prayers and blessings.

'I really enjoyed the singing,' Creedan-Lee

'It was nice to be in the church again,' Liam

Rev Dom gave the Harvest Talk with help from the audience.

There was an abundance of contributions...

The Year 3 and 4 Bible Club explained the meaning of the Sower and the Seeds.

Thank you to all of you who sent in food for the Harvest. The contributions were shared between the Food Bank at the church and St Mary Magdalene School Food Bank, which support our families in need.
