Message from our Chaplain...

This week our Archbishop of Canterbury, Justin Welby took a Collective Worship about Hope. I'd love you all to click on the link, watch it and let me know what you think.

Hope is an amazing thing. It brightens your day, puts a spring in your step, and puts a smile on your face. And as Hope grows in you - so others catch it and pass it on too.

Today - Think of something you Hope to do when we are all allowed out again. Think of something you can create today that shares your Hope - a picture for your window, a card for someone you love, a message for someone you will see soon.

Talk about Hope, pray for Hope and choose to Hope today. Amen.

Don't forget to pray today

AND Don't forget your play today too.

Let us pray...

Dear Lord,

You have given me family and friends who bless me every day with kind words and actions. ... I am just so grateful for all of your blessings in my life, Lord. I pray that you remind me of just how lucky I am, and that you never allow me to forget to show my gratitude in prayer and returned kind acts. Thank you, Lord.

Amen

Hargreaves class, what an odd few weeks we have had! I am missing seeing you in school every day and I love hearing from you through OneNote and Purple Mash. I hope you are all getting on well at home and having a nice time with your families.

Here is a link to a song to cheer you up, get you moving and maybe even practise your Irish dancing! 😊
