Friday 8th January 2020

Dear Year 4 Parents/ Carers,

We hope you had a lovely Christmas and a very happy new year; thank you very much for the cards and presents we received, they were very much appreciated. We hope you had a good time together as a family during the Christmas break. Well done to all those children who have completed work online.

Our theme for this term is **'The Rise of the Romans**. Our English and creative lessons will be linked and based on the book **'Romulus and Remus**. Our topic in Science is **States of Matter**, this will involve learning about solids, liquids and gases. Children will be making careful observations from experiments, recording data and drawing conclusions using scientific vocabulary. Finally, in RE, we are thinking about the lives led by Buddhists. We shall learn about the customs and practices of Buddhist monks. We will continue to learn a wide range of skills in mathematics including multiplication, division, area and perimeter.

Due to Government restrictions, school will be closed until further notice and all learning will be provided online using Satchel. More information and passwords will be sent out in due course. **Please make sure you read and follow the instructions precisely.** Satchel will begin from Monday 11<sup>th</sup> January. The BBC will also be showing educational programs every morning.

As PE would not be taking place in school, Joe Wicks will be starting up his PE lessons live on YouTube at 9am. They can also be re-watched throughout the day. We encourage the children to take part in this daily as this will be great exercise for them.

A timetable is attached to show what your child should do each day. We have tried to keep it as normal as possible.

We thank you for all your support and hope you all stay safe. Please make sure we are able to speak with your child when we phone as we would like to keep in touch. I look forward to continuing to support your child in their learning.

Kind Regards

Mrs Virdee- Fonteyn Class Teacher  
Ms. Crabb- Fonteyn Class Teaching Assistant
