

Summer 2- Family: Respect- "Honour everyone. Love the family of believers. Fear God." 1 Peter 2:17

Dear Children,

This week in school as well as our children in the Hub, Year 6, and Year 1, we have welcomed back some of our Reception and Nursery children. They have settled into the new routines very well and enjoyed being with their teachers and friends. We are very proud of all the children in school this week as well as all of you who are at home and working on your online tasks.

Next week, children in Year 2 will also join us in school and we are very much looking forward to seeing them back with us as well.

Sending you my love and best wishes as always,

Mrs King

The staff in the Hub would like to thank all the children this week. To celebrate their hard work and good behaviour, the children were able to make their own jam sandwiches and eat them on the roof garden in the lovely sunshine. They all followed the social distancing, hygiene and safety rules. Well done children and thank you to all the teachers and support staff who work so hard to make every day fun.

We wish the following children a very happy birthday last week and this week...

Michelle – 22nd June – Dahl Class
 Oluwatomiwa – 25th June – Potter Class
 Omofolarin – 27th June – Fonteyn Class
 Ruby – 27th June – Potter Class
 Samuel – 28th June – Cooper Class
 Richard – 28th June – Hargreaves Class

THOUGHT FOR THE WEEK...

Having respect for someone means you think good things about who a person is or how they act. You can have respect for others, and you can have respect for yourself. Showing respect to someone means you act in a way that shows you care about their feelings and well-being. **How do you feel when someone else shows you respect?**

STARS OF THE WEEK

Mr Smith's award goes to **Glory** and **Emmanuel Kolade**.

The star of the week for Moore Class this week is **Divine**. This week he has been making an extra effort to communicate with the class and look out for how they are on the class blog.

Daniel, Katriel, Nevaeh, Iyanu and **Fareedah** in Reception have been nominated this week for settling into the new school routines very well and being great role models to the nursery children. Mrs Eggleston is very proud of them.

Mrs Ndisang has nominated **Isaac** and **Precious** in Year 4 this week as they have completed all the tasks set on Purple Mash for this week. **Isaac** has written a postcard about his space travels, while **Precious** has created a fabulous picture of an unusual alien.

Have a look at Isaac's work:

Dear James,
 I am having a great time on my vacation on the moon. I have seen asteroid belts and I have jumped so high. What I dislike is the food. It is boring as I have had it three times every day for 2 weeks!

I normally play football and the ball goes really high! I am having so much fun. I still do learning as I go out to collect rocks then come back home to study them.

I am getting on quite well so you don't need to worry about me. I now know the control system of the rocket.

The view is great and it is vast and the moon looks like it goes forever. I have nearly fell in a big hole. Tomorrow I will be exploring the dark side of the moon.

I have not seen any aliens and I am quite fine with that as I don't like slimy stuff. Aliens may also creep me out!

I have only stayed on the moon because I am studying there and I don't want to get lost somewhere else.

I am missing your company and I can't wait to meet you at the rocket station in America.

From Isaac

Miss Rahman has nominated **Neisha** – For always completing work to a great standard, **Ariel** – For staying motivated and engaged during the school closures and **Bally** for great English work.

Have a look at **Anoushka's** timeline in Year 6.
