

Summer 1 - Family: Gratitude - "O give thanks to the Lord, for he is good; for his steadfast love endures for ever." Psalm 107: 1

Dear Children,

My goodness I could not feel any prouder than I do of you now about how well you are doing working from home. Your teachers are so busy trying to keep up with the work you are producing they will need a holiday soon! All the children who have been coming into school have also been working their socks off and having lots of fun. They of course like all of us, miss everyone and being in school together. We must continue to pray and have faith that when it is safe to do so, you will return to school soon.

Sending you my love and best wishes as always,

Mrs King

STAFF NOMINATIONS – showing gratitude

We would like to nominate **Reverend Dominic** for writing to the staff every day and keeping everyone's spirits up. Through his words, he shows us how much God loves us all and is thankful for what we are doing. He makes us reflect on our lives and our gratitude and he also shares great humour which reminds us to laugh and appreciate life. He is always there for you when you need someone to talk to. Thank-you Rev Dom 😊

Who would you like to nominate? Ask your parents/carers to send a message into school or write a message to your teacher to tell them how much you appreciate them and why. It would make their day! You could also click this link to 'nominate a teacher' to celebrate, 'Thank a Teacher Day' on 20th March 2020.
