Friday 6th September 2019

Dear Year 4 Parents/ Carers,

We hope you had a blessed and restful break. Here is an overview of the following Autumn term.

The curriculum

In English and Creative lessons, work will be based around the book 'Varjak Paw'. Our theme of 'What A Wonderful World' links with the creative curriculum on volcanoes and mountains. As part of this topic, we'll be visiting the Natural History Museum on the Monday 30th September (more details to follow). In Maths, we will continue to build on our knowledge of place value and the four operations and developing our written and mental methods.

Our topic in Science is Living Things, this will involve learning about classification of animals including humans where children will take part in asking questions, making careful observations about the world around them and recording key information in graphs.

Finally, in Religious Education we are thinking about the five pillars of Islam and how that is represented and celebrated in homes today.

Homework and Reading

Homework will be given at the beginning of the term, to be handed in whenever four activities are completed.

Please try and read with your child each evening and talk to them about the book they are reading. You can then sign their reading record each time. Asking them questions about what they are reading will help develop their comprehension.

Spelling tests will be carried out on Monday mornings.

We look forward to your support with these tasks.

PE Timetable

Class	Day/ Activity	What time?
Cooper	Monday Swimming	Morning
	Thursday PE	Morning

Children will bring their P.E. kits Monday and will take them home every Friday. Please ensure your child has the appropriate kit for outdoor lessons, especially when the weather becomes colder. Shirts and a plain white t-shirt should always be worn for indoor P.E. For swimming, earrings should be removed.

Thank you for your support.

Miss Olaley- Cooper Class Teacher
