Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
By providing more swimming lessons than is required, the number of children that are meeting the national curriculum requirements for swimming and water safety have more than doubled and are continuing to rise. At 78% of Year 6 children have met the standard this academic year.	Top up swimming to be provided in order to continue the upward trend so that more than 80% will achieve the national curriculum standard by the end of KS2. Children in Year 4/5 to be given more opportunities to reach the standard earlier in order to target those who need more support.
By providing and subsiding a wider range of opportunities for physical activity through different sports clubs; at least 7 out of every 10 children at St MM W and St MM P are taking part in regular physical activity.	Clubs to continue to be offered at a range of times in the day covering a broad spectrum of activities to entice those hard to reach children who are not really interested in exercise.
through the provision of physical activity on a regular basis in the form of Judo which also includes elements of respect and self control. The behaviour and attitudes in behaviour have improved.	To ensure that we support those families who cannot afford for their children to participate in sports clubs by providing them heavily subsidised or free places in clubs.
	To continue to provide children with physical activity on a regular basis to improve behaviour and self-control in KS2 classes across both campuses.
	To offer more comprehensive support and training to children parents and carers to encourage them to adopt healthier and sustainable travel alternatives to improve quality of life, mental health and the local environment.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	78%

What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	78%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	70%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

Academic Year: 2017/18	Total fund allocated: £ 20,350	Date Updated: February 2018 Date Reviewed: Autumn 2018		
Key indicator 1: The engagement of <u>all</u>	Percentage of total allocation:			
school children undertake at least 30 mir	£2850-14%			
School focus with clarity on intended mpact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
o get all pupils undertaking at least 15 ninutes of additional activity per day.	Identify route and timetable for daily mile for each year group. Purchase equipment to mark out routes. Achieved	£250	ALL pupils will be involved in 15 minutes of additional activity every day. 60% classes participated regularly	Daily mile firmly embedded in school day – yes for some classes Need to monitor and encourage other classes.
eninsula campus; in order to get more upils travelling to school and exercising ather than being dropped off in a car.	Purchase 2 class sets of scooters to introduce or further develop scooting in school. Children taught scooter skills in school time and in school clubs. Classes able to 'lease a scooter for half a term'.	60 x £25 = £1500 (1 set for each campus)	3 ,	This idea was a success in certain year groups but not for all so in turn was less sustainable. In turn, offering a range of alternatives throughout the day would be more beneficial with the purchase of equipment or age appropriate memberships to online sources
ncreased opportunities for self-directed hysical activity at break and unchtimes.	Raise awareness with parents and children to explain how this is an easy and fun exercise option. Workshops were held at SMMP. To be rolled out at SMMW Painted games and additional equipment for the playground for children to choose to play with. Some games were painted at the campuses and equipment was purchased.	£700 W £400 Pen	More children using their free time to be physically active and enjoy sports and being independent in their choices to exercise. Staff on duty to monitor and encourage all children to participate. The ActiveKids lunch leader scheme has been beneficial to Pen Campus with an oversubscribed session each week with 30 participants at a time being able to participate weekly. Children get swapped out when they wish to have a break and others are able to participate rather than observe Both at SMMW and

	progress of top-up swimming and swimming assessment.

Key indicator 3: Increased confidence, k	nowledge and skills of all staff in teachi	ng PE and sport		Percentage of total allocation:
				£1000 5%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
All teachers new to the school (experienced and NQTs) to have PE training from our expert secondary PE teachers. This will improve progress and achievement of all pupils as well as up- skilling the staff.	Baseline pupils so that impact can be measured over time. The Pe assessment is a progressive scheme that is completed per unit. It does provide a baseline. Ensure all identified staff are given the training. Training was delivered to Schools Direct & NQT's by a primary PE lead in place of a secondary. Ensure that time is provided for school based working and training. Provide time PE specialists to observe NQTs. PE specialists were offered out to NQT's and model lessons provided. It would be beneficial for the next academic year to expand upon this.		Better subject knowledge for both new teachers so that they are confident when teaching PE lessons Subject leader more confident when undertaking lesson. Better subject knowledge commented upon but research into scheme of work to embed taught skills and ensure developmental progress.	This will lead to sustainability as all staff will be supported to feel confident to deliver PE and Sport both within and outside the curriculum. Review and possible purchase of new scheme of work followed by training for all staff alongside an additional session for NQT's
Key indicator 4: Broader experience of a	range of sports and activities offered t	o all pupils		Percentage of total allocation:
				£5500 27%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Additional achievements: To extend our current provision and provide free or subsidised clubs before and after school to increase the sport experiences that the children receive. Focus particularly on those pupils who do not take up additional PE and Sport opportunities.	Throughout the school year provide a range of clubs for all ages to enable children to try new sports as well as build on skills and talents that they already have. A wide variety of clubs have been put in place and all were either oversubscribed or well attended. To target children who do not attend	£5500	At least 8 out of every 10 children will attend at least one sports club for a certain period of time in the year. Club participation to be monitored for development of skills and which children have attended. Slightly less than 8/10 children attended a sports club due to space allocation. To review once again now that SMMP have their new building and can	Get parents involved where children are showing talent and skills in a sport. Encourage families to send their children to clubs that are outside school. Develop links for signposting/develop workshops from local athletics and sports

	any physical activity clubs. Questionnaire to find out which sports the children would like to learn/participate in. Pupil questionnaires showed that children would like more martial arts clubs to participate in as well as more opportunities for alternative sports such as BMX'ing.			clubs to talent spot by external specialists. To provide a subsided scheme to ensure high numbers of participation continue. This to continue to ensure the offer is varied and accessible. Monitoring of PP/disadvantaged pupils attending sports clubs.
Key indicator 5: Increased participation i	n competitive sport			Percentage of total allocation:
				£2000 10%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
To introduce additional competitive sports identified by pupils in recent survey in order to engage more pupils.	Identify staff members to develop years 5/6 girls football team. A girls football team was not established but they did join successful mixed teams coming 8 th in the league.		Number of children taking part in competitive sports: Approximately 300 pupils across Pen & SMMW once accounting for some double-ups.	Teachers trained to run clubs with competitive sports. Making use of secondary specialists to develop this or if low uptake, variety in external trainers.
Engage more girls in inter/intra school teams across our Federation, particularly those who are disaffected.	Arrange which evening for practices which don't interfere with other commitments. Practice time was		How well are St MM doing with their mixed Year5/6 girls and boys football team?
