

Autumn Term 1

Year 5 will be intrepid explorers as they explore one of the World's most fascinating continents through our theme

Awesome Architecture

As readers, we will leap into Siobhan Dowd's exciting story of The London Eye Mystery in the hunt to find the missing Salim.

As writers, we will write formal and informal letters, police reports and diary entries from the character's point of view.

As mathematicians, we will explore place value and addition and subtraction.

As scientists, we will find out about materials and changing properties.

As artists and designers, we will be designing and making our own model of the London Eye.

As Geographers, we will be looking at the landscape of London. We will be learning about the geographical features of the landscape and how our landmarks are built.

As musicians, we will explore how different objects/materials can make music and link our noise making to our work on materials in science.

As theologists, we will be exploring Buddhism. We will be learning about the importance of the symbols and exploring the beliefs and teachings in Buddhism. We will create a display of the important symbols in Buddhism and symbols that are important to us.
