

## Spring Term 1

Year 3 will be intrepid explorers as they explore the exciting Stone Age period.

**As readers,** we will jump into Clive King's wonderful story of Stig of the Dump which tells us about the unlikely friendship between a young boy named Barney and stone-age Stig.

**As writers,** we will write our own non-chronological report on how to survive the stone-age period as well as create a class fact file on different aspects of Stone Age life.

**As mathematicians,** we will be busy learning about multiplication and division strategies as well as consolidate and deepen all our Year 3 Maths knowledge.

**As scientists,** we will be sorting and comparing different types of rocks. We will also be learning how fossils and rocks are formed.

**As artists and designers,** we will be researching and creating our own version of a Stone Age painting.

**As historians,** we will explore how cave men communicated with each other through cave paintings as well as researching different hunting methods in order for them to survive.

**As musicians,** we will research different instruments in the Stone Age and make our own instruments.

**As theologians,** we will be exploring Islam. We will be learning about the importance of the symbols, beliefs and teaching in Islam. Also, we will be learning about Muslim worship in the mosque.
